IN MEMORY OF

Mr. Howard Holly

OCT. 24, 1922 - AUG. 30, 1986

The 1986 Minutes are dedicated to Howard Holly. Mr. Holly was born on October 24, 1922 in Burgaw, N.C. He graduated from Burgaw High School and attended Campbell College completing a two-year course in business administration.

Mr. Holly was a leader in the Burgaw Baptist Church where he served as Sunday School teacher, chairman of the Board of Deacons, historian, and co-chairman of their 1984 centennial celebration. He was actively involved in the Wilmington Baptist Association, holding the office of Moderator in 1970 and 1971, and serving on various committees through the years. His interest in the work of Baptists in North Carolina saw him serve on both the General Board and the Executive Board of the N.C. Baptist Convention, the Board of Directors for Campbell University and the Board of Directors for Baptist Hospital in Winston-Salem. He was a trustee of the N.C Baptist Children's Home.

Mr. Holly was known for his outstanding contributions to his community. He was instrumental in forming the Cape Fear Council of Governments. He was Pender County Finance Officer, Clerk to the County Board of Commissioners and County Personnel Officer. In July, 1986, the Pender County Administrative Building was renamed the Howard Holly Building. In reference to Mr. Holly, a fellow worker was quoted as saying, "I just can't say enough about Howard. He's a Christian, that says it."

Mr. Holly was a man whose life was given to the service of our Lord. He was an unashamed witness of his faith in Jesus Christ as he tried to lead others to know Him. He gave freely and unselfishly of his time, talents and energy to the service of our Lord.

It is in gratitude for his Christian servanthood that we dedicate the 1986 Minutes of the Wilmington Baptist Association to the memory of Mr. Howard Holly.

The process will be a rotation of members each year, but not to remove the entire committee at any one time. A year is shown beside each office such as 1988, 1989, etc. This represents the Associational year that that person will rotate off the committee. An example: Evangelism Council, Chairperson (1988). This person will serve until the annual meeting in October of 1988.

## WOMEN'S MISSIONARY UNION

The 1985-1986 Emphasis was MULTIPLY THE VISION. The term MULTIPLY THE VISION comes from two thoughts. THE VISION refers to a new sense of spiritual renewal as it relates to enthusiasm for missions and a new awareness of and commitment to the missions tasks of WMU. TO MULTIPLY refers to both witnessing and enlistment as major thrusts of WMU. The watchword taken from Colossians 1:6b reminded us that the Gospel is still producing fruit and still growing.

VISION 88 was introduced. WMU has set a goal to have 2,000,000 women, girls, and preschoolers involved in quality missions education by September 1988. The associational WMU activities emphasized setting goals, making contacts, and nurturing prospects and new members.

The leadership workshops were held in September 1985 at Murray Memorial Church. The purpose of the conference was to train church WMU leaders to do their job, to inform them, and to offer assistance in begginning new work and strengthening existing work. In addition, an age-level manual study was presented February 1, 1986.

Baptist Women's Worldwide Day of Prayer was observed in all the seven geographical areas on November 4, 1985.

A Missions "Pig Pickin" at Winter Park Church on November 23, 1985 preceded a monologue of Lottie Moon presented by Pat Frazier. Mrs. Frazier challenged us to be faithful, like Lottie, wherever God may lead.

A "SPUDNIC" for career women was the Baptist Women's early fall event. In May a Prayer Retreat led by Mrs. Joyce Rogers, missionary to Indonesia, and furloughing in Wilmington, was held at Fort Caswell.

The Young Baptist Women organization also held a "SPUDNIC" supper. It was the main event of the year. Mary Ellen Benton, mission volunteer to Honduras, presented a slide show of the work there.

An associational BYW Dessert and Coffee in October got the Baptist Young Women off to a fresh start. Marsha Cook, CSM Director, was guest speaker for the BYW Kickoff Celebration of the Week of Prayer for Home Missions.

Acteens conducted a Studiact Banquet at Scotts Hill Church. There were 46 persons present, representing 7 churches. Six Queens and three Queens with Sceptors were recognized. An Acteen Prayer Retreat was held May 10. Joyce Rogers, our missionary in residence, was the guest speaker.

A Girls In Action study and overnight retreat focusing on Lottie Moon was held at Barlow Vista Church. Present were 101 GA's and 30 leaders. There was a GA retreat April 25-26, 1986 with 127 people present. There Ray Rogers and Jack Merritt were the principal speakers. Twelve churches were represented. A GA Day Camp, with fun activities as well as missions events was held July 12.

A workshop for Mission Friends leaders to learn better ways of guiding children was conducted in May. In July Mission Friends and leaders participated in an African Adventure at Winter Park Baptist Church.

January 8, 1986 began 100 days of Prayer in celebration of the vision, purpose, and growth of WMU, North Carolina. The prayer period ended April 17 with the opening of the WMU Annual Session at Raleigh.

AND NOW... TOMORROW! was the theme of the seventy-fifth WMU Annual Missions Rally held at Calvary Church, April 28-29, 1986. As a part of the celebration of 100 years of WMU in North Carolina, we examined our roots in the past, our laborers of the present, and our challenge for the future. Jack Merritt of the Home Mission Board spoke of the role of WMU in Home Missions. A challenge to Foreign Missions was presented by Ray Rogers, our missionary in Indonesia. Mrs. Ray Rogers (Joyce) brought the commitment and prayer emphasis each evening. Past Associational WMU Directors, past associational council members, and members of WMU for more than 50 years were recognized.

As an associational WMU we provided Christmas gifts for the women prisoners in Raleigh. We were also involved in the various mission action projects of our association.

For the 19th consecutive year our association was awarded the distinguished award. Nine of our churches also reached the distinguished level. This is an increase of two churches over last year.

We pray that the goals that were set and the work that was done has brought a new sense of spiritual renewal as it relates to enthusiasm for missions, a new awareness of and a new commitment to the missions task of WMU, and a new direction of God's Spirit with whose touch we can go forward in the coming years.

Respectfully submitted,

Linda Sanders
WMU Director

D. Golfers on Mission
This was begun under Lea and Bob Dudley. Purpose is to give golfers the tools and know how to make an evangelistic outreach. Clinic was held March 22, and Tournament May 10. This group plays the 1st or 2nd Monday of each month for 9 holes of golf and evangelism training.

E. Help Center at Carolina Beach
Though planning was done in spring of 1985, this ministry was not actually begun until spring of 1986. This provides a centralized agency for assistance on Carolina and Kure Beaches. The Help Office, is managed by volunteers under the direction of Laura Chappel screens everyone and devises an assistance plan.

H. Linen Closet
We have had so little call for linens that we are phasing it out.

## CHRISTIAN SOCIAL MINISTRIES COMMITTEE

The objective of the Christian Social Ministries Committee is to express Christian love and provide a positive witness through various mission ministries.

Through assigned projects from the association, our ministry has been well structured for the 1985-1986 year. Areas of ministry included:

1. Cooperating with and seeing through to completion the Hositality House across from the New Hanover Memorial Hospital. The HHH provides a convenient place for resting revitalization during great emotional stress for families of sick persons from out of town.

2. We worked to provide food pantries in central locations for people in need. This is functioning now.

3. Children's Clothes Closet at Lake Forest Church continued throughout the year distributing thousands of clothes for children birth to grade 6.

4. We did a feasibility study to determine if low income housing merits a major involvement by the WBA. At present we are unable to provide such housing due to personnel and economic reasons.

5. We are, however, pursuing research into a much needed Transient House which would operate on a day-to-day basis. This would be a shelter and not a home.

6. We had a sub-committee to study the Day Care needs in the WBA and several churches showed an interest with one in Pender County starting a Day Care.

Along with our regular ministries, the CSM Committee is busy and active. We covet your prayers as we seek to exalt Jesus Christ.

Respectfully submitted,

Ralph E. Holt, Jr.
Chairman

We had continued Summer Ministry in:

Roger's Bay Campground; Surf City Campground; Laniers Campground; Camelot Campground; Carolina Beach K.O.A.; Jubilee Park; Kure Beach; Atlantic Towers Condominiums beach area; and establishing relationships with the people at the Boardwalk.

I want to thank the Lord for the mighty ways He has moved through our resort programs and thank all the countless people who were involved in the ministry by supporting it through time, involvement, and prayers.

If it wasn't for the Lord and these people there would not have been a resort ministry.

With the progress and growth we have seen in the Wilmington Association Resort Ministry there is no other direction to go but FORWARD. For only in our steps forward do our dreams come closer to becoming realities.

Respectfully submitted,

Debbie Lytle Smith
Minister of Resort and Leisure Activities

## ASSIST REPORT

The Assist Team got off to a slow start due to not having sufficient persons to fill leadership positions. We pray this will not be the case in the coming year as the call goes out for dedicated leaders to forward the cause of Sunday School.

The Assist Team led in three major events during the past year:

1. A motivational film at the January General Board (Key Leadership gathering).
2. Training School for all Sunday School workers in February.
3. Preparation night in September for all Sunday School Personnel.

I wish to express my appreciation to this dedicated team and look forward to a banner year for our Lord in 1986-1987.

Respectfully submitted,

Ken Boaz

## ENGLISH TO SPEAKERS OF OTHER LANGUAGES (ESOL)

This year we ministered to 46 students from 24 countries in our Wednesday English classes. Although sponsored by WBA, Winter Park Baptist Church and people from many churches work together to make this ministry possible. We had 14 tutors. We can always use more volunteers for transportation, child care, and refreshments. Tutors are trained in a 20-hour workshop. Four were trained this year. One or two workshops are held each year. This Sunday morning program at Winter Park during Sunday School continues to add depth and breadth to the program.

Help is given to Internationals in every area of daily life - translating recipes, shopping, customs, economic problems, birth, marriage, death, sickness, and the list goes on. Many Internationals get better jobs as their English improves. All in all, we have ministered to 150 Internationals.

Many missions efforts are resultings from these small beginnings. We have a good Korean Mission and two Hispanic Missions. Chinese, Japanese and East Indian fellowhsips have been begun.

No International returns home with out the name and the address of the Southern Baptist missionary nearest their home.

God is sowing so much seed through the tender loving care and concern given by the churches and volunteers in the ESOL Program.

Our Literacy program has grown beyond the management capacity of volunteers. Literacy work is now The Cape Fear Literacy Council, Inc. It has its own Board of Directors and has been granted non-profit tax exempt status. WBA still supports this work, houses and does missions through it. It is still directed by Sally Lennon and supervised by Marsha Cook.

Respectfully submitted,

Sally Lennon
Director

MUSIC PROGRAM REPORT

This past year has been an active one in the music program of the Wilmington Baptist Association. My thanks to all churches who have hosted and participated in the following training events and to those who have served on the Music Committee this year: C. L. King, Reggie Rushing, Toby Frost, Dwight Lindley, Neal Eller and Peggy Croom.

On October 22-24, Dr. Ray Holcombe led a Vocal Freedom Conference for our association at Pine Valley Baptist Church. Vocal training in both the groups and individual setting was offered, including a 2 hour "Master's Class" for ministers of music. Six churches participated with approximately 30 persons enrolled.

On January 21, 1986, two conferences for age group music leaders was held. Neal Eller, minister of music at Winter Park Baptist Church, led a conference for youth workers. Mrs. Judy Ritchie, minister of music at First Baptist Church, Graham, led a conference for older children's choir workers. These training events took place at Sunset Park Baptist Church.

On January 6, 1986, I was privileged to lead an orientation meeting for music directors and minsters of music at Long Leaf Baptist Church concerning the upcoming "Good News America - God Loves You" simultaneous revival effort. Eleven churches had represenatives at this orientation.

On May 26, 1986, a "Music Sight Reading" Clinic was taught by Reggie Rushing, Regional Music Director, at Pine Valley Baptist Church. The clinic was for adult and youth choir membersdesiring to learn how to read music. Five churches participated with approximately 25 individuals attending. The clinic was a success and was extended one additional night.

Our final event for this year is a "Song Leading Conference" to be held at Wrightsville Beach Baptist Church. Gerald Hamilton, minister of music at First Baptist Church, Lumberton, will be the instructor for the two-night conference September 29 and 30. The workbook is "Five Practical Lessons in Song Leading." Study course credit will be awarded.

My thanks to the association for the unique oppurtunity of service and to the congergation at Southside Baptist Church for allowing me to serve our Lord in this capacity.

Respectfully submitted,

Royce E. Williams

## UNITED CHRISTIAN CAMPUS MINSTRY

Wilmington Baptist Association continues in association with other denominations to provide campus ministry at the University of North Carolina at Wilmington. They are joined in ministry by United Methodist Church, East Carolina Diocese of the Episcopal Church, Disciples of Christ, and United Presbyterian Church.

The ministry of this past year continued in basically the same pattern that has evolved in the past six years. Work is done mainly through Rev. Robert W. Haywood. Bob continues his associations with Campus Christian Fellowship and works through them along with Steve Hinkle particulary in designing retreats of which two were held this past year and in speaking several times to the group which in its weekly Tuesday evening meetings. There is also occasion for a good bit of one-on-one meeting and counseling.

Again, we sent our letters to the parents of 900 freshmen who live in the residence halls, at UNCW offering to provide a "first exam survival kit" made up of candy, cookies, and a note of encouragement from the parents. Four hundred fifty parents responded and kept us busy the weekend before the first set of exams in December. We also sponsored our annual Christmas Candlelight Service and well over 200 students participated in that 11:00PM Worship Service held at St. Matthews Lutheran Church.

The Campus Minister's relationship with the university as also continued to evolve. Bob still works with the Student Affairs staff and participates on monthly staff meetings and staff retreats. The Dean's office continues to notify us of all students who are admitted to the hosptial so that he can visit them. Bob served on the Residence Life advisory board and on the Women's Issue Task Force established by the Faculty Senate. Bob also brought a woman, Motlalepula Chabaku, a native of South Africa, to the campus for a three-day visit. We held a Sunday sundae in the snack bar for the area high school students to come for ice cream sundaes and to hear Motlalepula. Over 300 high school students attended. She also spoke three other times on campus to various university groups with a great response to her witness. Bob was also able to perform a valuable ministry to the university in working with the family of the young student who drowned and working with various people at the university who were affected by his death and providing a memorial service for the family and university which again filled St. Matthew's Lutheran Church.

Change is in the air in the fact that the Wilmington Baptist Association Executive Committee has moved towards locating a person to begin a Baptist Student Union at UNCW. There is this year also a full-time Catholic minister at UNCW. Both Bob and UCCM Board of Directors feel good about this year in ministry and are grateful by the support provided by the Wilmington Baptist Association.

## CHRISTIAN LIFE AND PUBLIC AFFAIRS

The past year was a beginning for the C. L. P. A. in the Wilmington Baptist Association. We started having monthly meetings regularly at 7:30 p.m. the third Thursday of each month.

We held one of the largest Pornography seminars in the state.

We had an Association Day in Raleigh where those who were interested in talking to our State Represenatives and Senators had the chance to tell them how they felt on issues such as Pornography, Child Abuse, Abortion, School Prayer, Insurance and other issues. They also saw the House and Senate in session and learned more about what it takes to have laws passed.

We also made available information for the state C. L. P. A. committee on all bills presented to the House and Senate in Raleigh that were of interest to the Christian community.

We also helped to get the New North Carolina Camprehensive Obscenity Law passed by attending the public hearings in Raleigh.

Although we have accomplished much this year there is still more to do. We would like to place a C. L. P. A. represenative in each church in the Association. We would also like the Pastors to become more involved in C. L. P. A. by having a represenative come and speak to their church.

The need to get Christians and their influence back into the government is an absolute necessity!

Yours in Christ

Fred Walker Jr.
Chairman, C. L. P. A.

## CHURCH TRAINING REPORT

It has been a year in which our Church Training team nas fought to get Church Training into churches without it. The success of this campaign was somewhat halted when the Church Training department at Raleigh were unable to come (as planned) to speak with 3 churches that were interested. This goal must now be passed on to the in-coming Church Training Director.

Church Training is the invisible Force behind a scripturally sound Church. It is more than a 45 minute Sunday night program. It is Discipleship, Doctrine, Worker Training, Ethical Training; it teaches the "How To" of Christianity. Church Training undergrinds the work of the entire Church. Don't leave Church without it!

Respectfully submitted,

John Peverett
Church Training Director

The Pine Derby Car Meet was held at First Baptist Activities Center Saturday, September 6, 1986.

The Fall Round-Up (Camping) was held at Harrell's Friday, October 24 and Saturday, October 25, 1986.

Little Red Mission Caboose - J. P. McGinnis, Chairman

Several Churches have used the caboose to promote Revivals and Vacation Bible Schools.

The Brotherhood Council has lectured to and assisted several churches to develop the Brotherhood Units.

Brother Don Thomas accepted the Lord Jesus in a Brotherhood meeting. Several months later he enrolled in Fruitland Bible Institue (June,1986), and is attending there at this time.

## INTERNATIONAL SEAMAN'S CENTER

The Seaman's Center continues to promote a viable witness for the Kingdom of God with the many international seafarers who visit the port of Wilmington, North Carolina.

Bold Missions Thrust is a challenge in this port as the many seaman come here from all parts of the world. In the last year over 8,000 have taken advantage of the facilities. The shorter visits by the ships to this area, because of automated means and economics interests has necessitated a ready response. A station wagon to transport them to the shopping places, quicker identification with crew membersin visitation, more efficient witnessing, and attempting to meet the many needs.

A Corps of 120 volunteers give of themselves in many ways to the on going of the Center. Their efforts keep the Center open seven days a week. The best facilities have to have human beings who care, love, and devote themselves to this mission.

Visitation on the ships is most important with approximately 8,000 contacts aboard the ship. Many Bibles have been distributed, study groups initiated, gifts given, and distressful spirits uplifted. Souls continue to be won, a greater cause of the Gospel is served in this fruitful and challenging ministry.

Vernon L. Fash
Chaplain

## YOUTH COMMITTEE

The Youth Committee has sponsored several events this year including the Associational Youth Rally featuring "Jeremiah People", a Sunday School training class during July, Executive Committee Meeting, a Back to School Retreat at Caswell and a Discipleship Retreat at Wrightsville Beach.

The Associational Youth Rally was held at Calvary Baptist Church, and attended by more than 600 youth and adults. The presentation by Jeremiah People was a very professional one dealing with Family Relationships. Phil Stone, (NCBSC Youth S. S. Associate) led the conference in July on helping teachers teach youth in Sunday School.

The Dicipleship Retreat was led by the Youth Ministry Resource Team from Baptist Student Union Summer Missions. Twenty of our young people spent 2 days in discipleship training.

The Back to School Retreat at Caswell was attended by 250 of our association's youth and their leaders

Take a look at the 1987 Associational Calender for next years events for your 7-12 grader.

## DIRECTOR OF MISSIONS REPORT

The Wilmington Baptist Association is closing out another very successful year. The highlight of this year's program was our participation in the Good News America-God Loves You Revivals. Forty-two of our churches participated. Thirty-six of these reported a total of 219 Professions of Faith; 1.183 Rededications; 65 Transfers of membership; 76 Miscellaneous Decisions; and seventeen commitments to Special Christian Service. We distributed 12,485 marked New Testaments, found 807 Prospects for Sunday School, and enrolled 158 New Members in Bible Study. To God be the Glory and congratulations to all who took part in this blessed experience.

The Rev. Bobby Stafford, Director of Missions selected by our Baptist State Convention to serve as Director of Associational Development. His resignation as Director of Missions was effective May 19, 1986. He came to us on Septmber 1, 1980, as Associate Director with responsibility in Church Education. He served so efficiently in this position that when Brother Paul Kesterson retired, he was chosen to become our Director of Missions (October 1, 1981-May 19, 1986). We miss him but congratulate him and wish God Speed in his new work.

At the invitation of the Search Committee, I agreed to serve as Interim Director of Missions. I began my work on May 12, 1986, so that I could attend the Key Leadership Conference at Ridgecrest. Others who attended were: Bobby Stafford; Glenn Kling; our Moderator; Marsha Cook, our Church-Community Director; Marsha Oakley, our newly elected Clerk; and Debbie Smith, Resort Ministries Director.

Marsha Cook, our Director of Church-Community (C.S.M.) Services, continues to do an outstanding job in the areas of social ministeries, inner city missions, Literacy, etc. She is also serving as our Director for our World Missions Conferences which are planned for May 2-6, 1987. This will be our Major Associational Emphasis for 1986-1987 year. Our goal is to enlist every church in our Association to participate. Each participating church will have the opportunity to hear five (5) different Missionaries.

We have had an excellent year in our Resort-Leisure Ministeries under the direction of our US-2 Worker, Debbie Lytle Smith and the Resort-Leisure Ministeries Committee. Some new programs were initiated and several people were led to receive Christ as their Savior. The US-2 Program was extended for one year, ending August 15, 1987. The Resort-Leisure Ministeries Committee will make recommendations about continuing the ministry.

I regret to report that the effort to begin a work in the Porter's Neck area is on hold at the present time. We are continuing our survey of the Castle Hayne area to determine if there is a need to begin a church in that area.

Katherine Godwin and her Vacation Bible School Faculty led in, as someone described, a fantastic Vacation Bible School Clinic.

The Campus Ministeries Task Force, under the leadership of the Rev. Ken Boaz, is ready to recommend that we begin a part-time Baptist Student Union at the University of North Carolina-Wilmington this semester.

Our Association hosted a major workshop on computers and how they can be used by churches and the association. It was led by Bill Dockey from the Southern Baptist Sunday School Board Marketing Division. There is considerable interest in purchasing a computer for the Associational Office.

At our General Board Meeting of January 21, 1986, it was agreed that we proceed with building a Missionary Furlough House under the direction of Mr. A. J. Harrell. I rejoice to report the house is completed and at unbelievable price. A $75,000 house for $25,000. John Rogers, the son of Ray and Joyce Rogers, is its first occupant. It is now booked through 1991.

We were blessed to have Ray and Joyce Rogers as our first resident Missionary family. Since our Furlough House was delayed, we rented an apartment for them. They blessed the people of our churches as they shared about their work and led us in worship.

Our office staff continues to do a great job as they get out the Newsletter and perform the other services needed to serve our Association.

We have not achieved all of our goals, but we will keep them up front and press on to achievement.

While this has been a successful year, it has also been a sad one. Two of our former Director of Missions, Brother J. H. Mauney and Brother Paul Kesterson went home to be with our Lord. Brother Mauney on December 3, 1985, and Brother Paul Kesterson on December 24, 1985. Two very active and loyal laypersons also dies: Mrs. Colin (Mildred Dorsett) Churchill, Wilmington First Baptist Church; and Howard Holly, Burgaw Baptist Church.

Our Association is doing a tremendous ministry and yet there is more to be done as resources and personnel will allow. Thank you for letting me be a part of this great work.

Respectfully submitted,

Paul C. Nix, Interim
Director of Missions

## ACTS REPORT

The Acts Board has been functioning this year and the following report is submitted for your review.

This has been a year of lows and highs with our work on the Acts Channel. It has been a high in that we have been able to acquire some excellent equipment. We now have professional quality recording equipment, an inserter to place local programming on the channel, and an editor for getting tapes ready for insertion onto the channel. All of this equipment is paid for except the recording equipment which is financed with a local bank. The revenue from recording for member churches would more than pay for this equipment. However, the member churches have not been using this means of communication to any great extent. This is where the lows of our year appear; without the support of local churches, we will have trouble paying for this equipment. This is also a source of concern in that without the local programming on the channel, we lose much of the advantage of having such a channel.

Many reasons may be given for this situation, the network programming has not been meeting the expectations of much of the viewing audience, therefore viewers have been far below projected numbers. Local churches have experienced financial restraints beyond their control which made this expenditure impossible. We, as members of the Acts Board, wish this to be a ministry to our churches and community. It has not been the success we had hoped it would be, and we are faced with some serious decisions in the near future. An evaluation of all aspects of this ministry and its potential will be made and decisions made accordingly.

Respectfully submitted,

Herb McCarthy, Director

## RESOLUTIONS AND MEMORIALS COMMITTEE

RESOLUTIONS: The 86th Annual Session of the Wilmington Baptist Association October 20 and 21, 1986, expresses its sincere appreciation to:

1. The Program Committee for preparing our excellent program and to all who shared in presenting it.
2. To the Wrightsville Beach and Centerville Baptist Churches for hosting our sessions.
3. To our Moderator and those who have worked with him during the year.

MEMORIALS: We propose, that the names of our Brothers and Sisters in Christ who died during this Associational year, be permanently recorded in the minutes of the Association, and that we stand for a few moments of silence in their memory.

1. There is a place of quiet rest, Near to the heart of God,
   A place where sin cannot molest, Near to the heart of God.
2. There is a place of comfort sweet, Near to the heart of God,
   A place where we our savior meet. Near to the heart of God.
3. There is a place of full release, Near to the heart of God,
   A place where all is joy and peace, Near to the heart of God.

Respectfully submitted,
Paul C. Nix and

Considerations are being given to a plan to help alleviate some of the financial strain during the spring and summer. A committee is looking at the Resort Ministry to determine future plans. Our US-2er is supported until August 15, 1987 at which time the association would be responsible for financing this ministry. The associational Office has a student working part-time.     Look - We must hear the command of Jesus to "Lift up 'our' eyes and look upon the harvest." We must see the need of the lost world about to hear the Gospel.

    Go - The early disciples did go. They went everywhere "gossiping" the Good News. They did not merely sit in the store house, waiting for the harvest of the sheaths to walk in.

Witness - We must tell what we have experienced through the power of Jesus Christ.

Ye - A southern translation might be "y'all" are witnesses. We cannot send others "in our place", we can only assist them in going to the place God has provided for them. God gave each of us our own place, our own personal world.

Are - "ye are witnesses" means that we are either positive or negative examples of what Christ is like. We must examine our own lives to see which we are.

Now - The need is immediate and the time for meeting that need is now.

Our lives are instruments made by the hands of God. How can we turn away the Master of the console of our life?

## WOMAN'S MISSIONARY UNION

The primary objective of the 1986-87 Woman's Missionary Union emphasis, "Gifted to Serve - Called to Act," was to challenge and equip church members to identify and use their spiritual gifts in ministry and witness. This call to commitment was reinforced by the watchword taken from I Peter 4:10.

The second objective was to enlist women, girls, and preschoolers in quality missions education through WMU organizations. This emphasis, called VISION 88, is the national plan of WMU to have enrolled two million members through the age-level organizations by September 30, 1988.

There were 243 church WMU leaders trained at the associational WMU Leadership Conference on September 15, 1986 at Wrightsboro Baptist Church and on September 22, 1986 at Pine Valley Baptist Church. There were 31 churches represented. The objective of the workshop was to train, to inform, and to challenge leaders to have quality missions education in their churches.

Observance of the Baptist Woman's Worldwide Day of Prayer was held on November 3, 1986 in all seven geographical areas of the association.

A Foreign Mission Study Institute was conducted on October 13, 1986 at Murray Memorial Baptist Church. Also, a Home Mission Study Institute was held at Southside Baptist Church on January 12, 1987.

At the January 20, 1987 General Board meeting, WMU provided an Enlistment/Enlargement Conference led by Sally MacCallum.

Bea MacRae, National WMU Centennial Chairman and former President of North Carolina WMU, was the guest speaker at the General Board meeting on July 21. She explained the events planned for the WMU Centennial Celebration and the responsibilities involved. WMU will celebrate the Centennial on May 14, 1988.

The WMU Annual Missions Rally was held on April 27, 1987 at Temple Baptist Church. There were 180 persons attending, including 15 pastors. The program was built around the WMU theme of the year - "Gifted to Serve - Called to Act." Special guest speakers were Dot Allred, President of North Carolina WMU, who challenged us to discover and use the gifts God has given us, and Carol Leigh Humphries, retired missionary to Nigeria. Miss Humphries called us to commit ourselves to a life of missions involvement. Debbie L. Smith, Director of Resort Ministries, WBA, presented the Prayer Calendar. An offering was received for the new Centennial Building at Camp Mundo Vista.

A Baptist Women Assist Team was formed to coordinate the BW work of the association. One new BW organization was begun this year.

A Baptist Young Women Prayer Retreat on October 3-4, 1986 set the mood for the year's work in BYW. Their "Chili and a Chum" dinner on February 9, 1987 was a great success. On June 1, 1987 a BYW Talent Show and Dinner was held, and on August 15, BYW had a family picnic. BYW began four new church organizations in 1986-87.

Acteens enjoyed a Studiact Fair on October 18, 1986. Studiact was introduced to new Acteens and all were motivated to become involved in this individual achievement plan. Acteens were made aware of their spiritual gifts at an event on May 14, 1987 called "Gifts Are For Giving." Acteens gained one new organization this year.

An overnight Girls In Action retreat, "Gifts Are For Giving," was held on November 14-15, 1986. GA's enjoyed making gifts to share, selecting a pen pal, and bowling with friends. One hundred girls and thirty-six leaders were present, representing 22 churches. Four new GA organizations were begun this year.

On March 12, 1987 a workshop was held for Mission Friends leaders. They were presented a variety of activities to be used in teaching the History of

of Woman's Missionary Union to preschoolers. A Mission Friends Leader Manual study was conducted for study course credit on March 22 and March 29, 1987.

WMU was involved in several associational mission action projects. The WMU also provided 650 toothbrushes at Christmas to be given to the women prisoners at North Carolina state prisons.

WMU was re-organized at Battle Park Baptist Church. Ten age-level organizations were begun in the association.

The associational WMU was recognized with the Distinguished award for the 20th consecutive year. Ten churches also received the Distinguished award and two achieved Standard recognition.

It has been an exciting year. We have become more enthusiastic and persuasive about a cause which is a priority for us - Missions Education. Its study, support, and doing has been a priority of WMU for nearly 100 years. But, even as we are in the midst of celebrating the history of our organization and its contribution to God's kingdom's work, we cannot rest on the past. We must keep sight of the future. We have the possibility of fulfilling a glorious future through the investment of our lives in missions education.

Respectfully submitted,

Linda Sanders
WMU Director

## CHRISTIAN SOCIAL MINISTRIES COMMITTEE

The objective of the Christian Social Ministries Committee is to express Christian love and provide an ongoing Christian witness through various mission ministries.

We have sought to be diligent in our efforts to provide a continuous Christian witness.

In the past year, we provided a small group seminar on "Help and Hope for Families Who Have Emotionally Disturbed Family Members." This seminar proved helpful to all in attendance.

Another seminar is planned in November with Rev. Clyde B. Smith, a retired Chaplain from Norman, Oklahoma, leading it.

The Children's Clothes Closet at Lake Forest Baptist Church continues to distribute hundreds of garments to needy families with children from birth to grade six.

The CSM Committee spent many hours updating the Crisis and Referral Directory which has now been distributed to all our churches. This directory gives important telephone numbers and some addresses of Emergency Services, Transients and Family Assistance, Health Services, Senior Citizens, Counseling Services, Hospitals and Nursing Care, and Special Needs.

We continue to meet monthly evaluating past performance, discussing current concerns, and planning future activities. We covet your prayers as we seek our Lord's leadership in all we do.

Respectfully submitted,

Ralph Holt, Chairman
CSM Committee

## COUNCIL ON HIGHER EDUCATION

The Council on Higher Education has had a successful year by anyone's standards. Those who have sought more instruction in God's Word and in the ministry have been helped by this local ministry.

Our 1987-88 goals are to continue to have available an academic program to anyone who, called by God, seeks formal instruction for the ministry, and for those who wish to increase their knowledge in their God given talents within the church.

In 1986-87, the Wilmington Baptist Bible Institute saw 27 students enrolled in either center courses or external studies from Nashville.

Several national colleges have accepted the Southern Baptist Seminary Extension courses for college credit, and in some cases credits towards the MA degree.

Please keep us in your prayers as we on the council seek ways to improve our services and help all that call on our programs.

In Christ Jesus,

Joel Hunt, Director
Council on Higher Education

## ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)

In the past year this ministry served 61 students from 19 countries. Sponsored by WBA and Winter Park church, Christians from several denominations are faithfully working together to carry out this witness.

There were 18 tutors including six trained last fall. Though the class is held each Wednesday of the public school year, many of our tutors are extending this ministry outside the class setting. They give extra time for tutoring, for assisting with activities necessary to daily living (grocery shopping - what's pictured on the can is not always inside, translating recipes, making Doctor's appointments, filling out job applications, celebrating birthdays, rejoicing in births, comforting in illness or death, CARING ).

The Korean Mission and Hispanic Missions continue to thrive along with the actively growing ministry opportunities to the Chinese, Japanese and East Indian cultures. Calvary church rejoiced in having assistance this summer from Southwestern Seminary students, Benjamin and Sophia Si, in their work with the Chinese. This work was enthusiastically responded to and is being carried on by Mr. and Mrs. Peter Tu along with Sally Lennon and others from Calvary church. The work of all these ministries was evident recently at our 5th Annual International Dinner with nearly 300 in participation.

The 1987-88 school year has begun with 36 students representing 22 countries. From the homes of these students we have the opportunity of ministry to eight preschoolers. We do not at this time have a continuing commitment to care for these precious ones. Please pray for someone to feel led to this ministry.

Respectfully submitted,

Mary Ellen Benton, Chairman

## BIBLE TEACHING IN PUBLIC SCHOOLS

The Bible Teaching in the Public Schools program is presently experiencing growth in student participation and new leadership. Eight Bible classes are being taught every day at Hoggard, Laney, and New Hanover High Schools. The following classes are offered:

IN THE BEGINNING (Genesis through Psalms)
PROPHETS AND KINGS (Psalms through Malachi)
LIFE OF CHRIST (Matthew, Mark, Luke, John)
PAUL AND HIS LETTERS (Acts through Revelation)
GREAT PEOPLE AND EVENTS OF THE BIBLE

Dawn Mann and Darrin Whitener have been hired as the new teachers. All churches are encouraged to have these two teachers into their churches to tell about this terrific program.

The enrollment is 108 students for the fall and spring semesters. The committee greatly appreciates the support of the WBA.

Respectfully submitted,

Don Vigus, Chairman

## MISSIONARY FURLOUGH HOUSE COMMITTEE

1986-87 was a hallmark year for Wilmington Baptist Association's "Missionary Furlough House." The long awaited, "dream house," was completed.

On December 23, 1985 when Ray and Joyce Rogers arrived from Indonesia, the furniture and housewares had been purchased. Temporary quarters were rented on 4844 Kubeck Court (Winter Wood Apts.).

In August, 1986 when the Rogers returned to Indonesia, the house was complete and the first occupant was "Missionary Kid," John Rogers. He vacated the house in January 1987, and Ed Stines, our newly elected DOM, with his wife, Ginny, moved into the house for five months.

July, 1987 brought Durwood (Dee) and Ann Broughton with their daughter, Hannah, home from Bouake, Ivory Coast. They will live in our house until April 1988.

From now until July 1993, the house is booked for occupancy.

Now, as in it's inception, the three bedroom, living-room, dining-room, kitchen-den, two baths, utility-room, and deck brick structure at 202 Northbrook Drive is dedicated as a respite to furloughing missionaries across our world.

Respectfully submitted,

Norma H. Lewis, Chairperson
Missionary Furlough Committee

## ORDINATION ADVISORY COUNCIL

The Ordination Advisory Council, on request of the respective churches examined and recommended the following candidates be ordained for the Gospel Ministry:

Victor Hinson - Southside, Wilmington
Phil Hayes - Murray Memorial, Wilmington

As long as God calls men into His ministry, we have the responsibility to guide, advise, and encourage them in this work.

It is a pleasure to have a part in this very serious and important task of assisting individuals in fulfilling God's will in their lives, and we appreciate the opportunity of assisting and advising the churches who call upon us to fulfill this very important responsibility.

Respectfully submitted,

Tommy Register, Chairman
Ordination Advisory Council

## EVANGELISM

Our second Associational-wide Bible Conference was held on January 19-20, 1987. The average attendance nightly was 800. Guest speakers this year included Dr. Bill Bennett, Dr. Harold Hudson, and Rev. Eugene Ridley. Everyone was challenged by the messages of these men of God.

Our pastors voted to invite Dr. Bailey Smith and John McKay for an area-wide crusade. Plans are now being made to schedule this crusade in the Fall of 1988 or Spring of 1989.

Respectfully submitted,

Norman Hunt, Chairman
Evangelism Committee

## YOUTH COMMITTEE

The Youth Committee had as its goal for the 1986-87 year to provide activities for those churches which do not have full-time youth ministers. It was felt that the churches with paid staff already had a full youth program. Below is listed the activities which were planned and a brief description:

August 3-8 — Ft. Caswell Youth Camp
28 youth from Shiloh, Southside, Olivet, and Freedom Churches spent an excellent week with 1000 other teenagers from around the state. Many decisions were made. There was a terrific program.

August 28-29 — WBA Lock-In at the YMCA
200 teenagers and adults spent the night participating in activities such as basketball, volleyball, swimming, and racquetball. The Billy Graham movie "The Prodigal" was shown and Jim Kelly led the group in an inspiring devotional time.

Sept. 26 — BREAKAWAY SEMINAR: Love, Sex, and Dating
Barry St. Clair, a nationally-known youth discipleship speaker, formerly with Youth Evangelism of the Home Mission Board, led an 8:30-4:00 seminar. There were two sessions, one for adults and one for teenagers.

October 4 — Larry Norman, a contemporary Christian singer, performed at UNC-W for an after-church fellowship.

There has been an expressed desire that our present Youth Council (which presently is made up of "adult" youth ministers) should in reality consist of youth representatives from each church. This council of teenagers with several adults will meet monthly and plan the youth events.

Respectfully submitted,

Don Vigus, Chairman
Youth Committee

## INTERNATIONAL SEAMEN'S CENTER

God has blessed us this year with more than 7300 seamen visiting and over 2000 persons transported to areas around Wilmington (shopping malls and other places) in more than 400 trips in our station wagon or our own vehicles. We have witnessed to over 100 persons directly and from this at least 22 have made decisions to return home and live a changed life. Ships only stay for a short while, sometimes just for a few hours, and contacts must be made quickly. Summer missionaries, seminary students, and church groups are always welcome. We are open from 8:00 a.m. to 10:00 p.m. for seamen and visitors when ships are in port. If no ships, we close at 4:00 p.m. Last year 620 ships, boats, and smaller craft were visited. From a staff of about 125 volunteers, more than 6500 volunteer hours were given in service through the Seamen's Center. We thank the Wilmington Baptist Association for your prayerful, physical and financial support and we pray for your greater involvment in the future. Following is a brief account of some of our ongoing activities.

Bibles: Our Bible Ministry is a very important part of our mission. Last year approximately 500 Bibles, invarious languages (we have 39 in all), were taken from our library shelves by the Seamen. This number unfortunately compares unfavorably with the previous calendar year (1985) of 710 given out, due to lack of funds with which to purchase Bibles in the languages most in demand, namely Polish, English, and Spanish. Please help us to replenish our stock of Bibles with your donations designated for this purpose so that we may continue to reach out in the name of Jesus Christ to seafarers from around the world.

Bicycles: We try to keep on hand and in some semblance of working order, about ten bicycles that the Seamen can use to get away and visit our city or to do some shopping during their short stay in port. These bicycles are in constant demand and as you may surmise, are subject to hard wear and tear and often in need of repair. The "old fashion" type, single speed, rugged construction, are best for our needs, although we are not choosey when it comes to accepting any gifts that may come our way. Should you have or know anyone who may wish to dispose of a bicycle, please let us know, and we will be more than willing to come and pick it up. Likewise, your cash donations, no matter how small, to assist us in defraying the cost of repairs will be most gratefully received.

Clothes Closet: There is always a demand for good used clothing by the Seamen, both for themselves and for their families back home particularly those from third world countries. Good used clothing is always appreciated --- when you do your spring cleaning this year, we shall be grateful if you will help us to help those less fortunate than ourselves. The Seamen's Center is open every day, Monday thru Friday, from 8:00 a.m. until 4:00 p.m., and during these hours we will be on hand to receive your donations.

Cookies: A special appeal to all who bake - the cookie jars are always in need of replenishment, so next time you are in a baking mood, please make a little extra for the Center.

Operation "Santa Claus": We are pleased to report , thanks to your generous donations, this was a most sucessful event. During the month of December, each ship that comes into port is visited by our Chaplain, Reverend Vernon Fash, bearing gifts for each member of the crew on board. Such gifts, which are individually wrapped by our lady volunteers, contained one or two items of toilet articles such as shaving soap, etc., knitted watch caps, scarves, socks, games, writing material, etc. By accomplishing this we feel that in some small way we contributed in passing on the Christian spirit of Christmas to many who would not otherwise receive this blessing. This year we gave out 1,020 such gifts and since that time have received letters of grateful thanks from many of the Seamen.

Respectfully submitted,

Woodrow H. Lennon, Chairman
Seamen's Ministry

Over the past year, several exciting programs have occured in our resort ministry. Dreams have become realities and new doors for ministry have opened. More of our local churches and laypeople have seen the need and potential for resort ministry and have gotten actively involved. It is evident many vacationers, tourists, and locals were touched by our Lord this year through the different ministers and ministries of our year around programs. - 34 professions of faith were made during the various ministry programs. 41 individuals rededicated their lives to the Lordship of Jesus Christ and 2 young people made commitments to go into full time Christian Ministry.

I want to thank the Lord and give Him the glory for all the mighty ways He has moved through our resort ministry. I also want to thank each of the special people who were involved in the ministry by supporting it with their time, involvement, and prayers. May you continue to aim high in your mission support and involvement.

Respectfully submitted,

Debbie Lytle Smith

## DIRECTOR OF MISSIONS REPORT

The Wilmington Baptist Association continues to be one of the most active in the state because of the various types of ministry which we promote. Leaving the snow in Kernersville on January 1 and beginning my work as your Director of Missions has been a learning experience. Had it not been for the assistance of Rev. Paul Nix, Interim Director, I would have had a much more difficult time adjusting to the work. He continues to be a ready source of help.

Much has happened in our Association this year. The major emphasis was our World Missions Conference (May 2-6). Forty-seven out of fifty-four churches participated. Our Director of Church and Community Ministries, Marsha Cook, did an outstanding job in putting all the schedules together and assuring us of an informative and challenging conference.

In May we had 14 persons attend the Key Leadership Conference at Ridgecrest. Here we were able to share with the Convention staff and receive information to help us plan our Association calendar. Returning to Wilmington, you key leaders began planning for General Board meeting in July.

Debbie Lytle Smith informed us in the spring that she would be unable to continue as our Resort/Leisure Ministries Director after August 15 because her husband was changing jobs and would be moving to Warsaw. Still the summer was a busy one for our summer missionaries and the newly formed Lighthouse Project.

With Debbie's resignation, the Resort/Leisure Ministries Committee and the BSU Advisory Committee recommended to the Executive Committee that the Resort/Leisure ministry and the Baptist Student Union be combined into one position and that we proceed to employ a person for this combined work. Representatives from these committees and the Personnel Committee reviewed resumes of prospective persons and voted to employ Carlene Evans as Resort/Leisure/BSU Director. Carlene arrived from Vero Beach, Florida on September 28. Our association is fortunate to have such a qualified person for this ministry.

The Durwood Broughton family is living in our Missionary Furlough House. The Broughtons arrived from the Ivory Coast in June and will be with us until April, 1988. They are available to share with your church the work they are doing in Africa.

As we enter a new Associational year, we will be embarking upon some exciting events. In January we will have a Spiritual Preparation Retreat for our church leaders as we enter into the Year of the Laity. We are planning to have at least two Lay Evnagelism Schools to equip someone from each of our

churches to conduct a Lay Evangelism School in the local church. In Church Training and Seminary Extension we are going to offer Masterlife Discipleship Training. These are new areas for many but the Year of the Laity could easily become the catalyst to help us see the fields that are ready for the harvest. In March we will have a Multi-Family Housing Conference to assist us in planning our ministry in the fast growing multi-family complexes in which approximately 95% are unchurched.

This has been a good year for the Association. We have not accomplished all of our goals, but progress has been made in much of our work. Sometimes the lack of resources and personnel hold us back, but we are grateful to each of our churches for your loyal support. Without it we could not "Touch Lives and Change People." Thank you for letting me be involved with you.

Respectfully submitted,

C. Ed Stines
Director of Missions

## (ASSISTeam)
## ASSOCIATIONAL SUNDAY SCHOOL IMPROVEMENT SUPPORT TEAM

The ASSISTeam attended the ASSIST Training Conference in Goldsboro on February 9. On February 23, the team conducted a Sunday School Training School at Murray Memorial Baptist Church. There were 16 churches represented with 63 persons in attendance. Two Vacation Bible School Clinics were conducted in April by workers who attended the Training Clinic in Bladenboro on February 27.

Your ASSISTeam is making plans to be much more involved in helping our churches strengthen their Bible Teaching Program this year by - GOING, TELLING and TEACHING. Special previews will be held for the Sunday School Directors several times during the year. Workshops for all age group workers will also be provided.

## MUSIC COUNCIL

The first course of action taken by the WBA Music Council was the passing of a motion to work toward a Standard of Excellence within our association. This Standard of Excellence, a useful tool for discovering areas where more energies should be expended and suggested by the Sunday School Board, has resulted in the following projects for this year:

1. Associational Adult Choir for the January Bible Conference on January 19-20. 36 people participated representing 8 churches. Neal Eller was the director and Ed Oakley the accompanist.

2. Choral Reading Session on February 17 with 13 participants representing 9 churches. Ed Oakley was the leader and Jeff Lewis was the accompanist.

3. Senior Adult Music Fellowship on June 2 with 58 participants representing 6 churches. Mr. Charles Gatwood, former Church Music Secretary for the NC Baptist State Convention, was the director. Ed Oakley was the accompanist.

4. Key Leadership conference on July 21 with 5 participants representing 5 churches. Neal Eller was the leader.

5. Hymn Playing Clinic on September 1, with 13 participants representing 7 churches. Mr. Jeff Lewis, Minister of Music at Wilmington First Baptist, as the clinician.

6. Choral Sounds Clinic on October 8 with 74 participants representing 10 churches. Dr. Rhonda Flemming, Choral professor at East Carolina University, was the clinician. Sandra Stanley, pianist at Pine Valley Baptist Church,

was the accompanist.

These events have trained leaders, members, allowed group participation, and promoted fellowship among the church musicians of our association. Much appreciation goes to this year's Music Council: Peggy Croom, Reggie Rushing, Jimmy Rogers, and Ed Oakley.

Respectfully submitted,

Neal Eller, Jr.
Associational Music Director

## CHURCH TRAINING

The Associational year began without a Church Training Director. Jack Carter was elected to this position in February and began making plans for Church Training Events after Key Leadership at Ridgecrest. Some of these plans were shared at our July General Board Meeting. During the summer, Jack resigned as Church Training Director to return to Southeastern Baptist Theological Seminary. The year ends without many accomplishments in Church Training.

Hal Bilbo has now been elected as Church Training Director. Plans have been made to observe "M" Night in November and to begin Masterlife Training in January. Church Training will be deeply involved in providing training for the "Year of the Laity."

## MISSIONS COMMITTEE

These are the objectives and goals to be focused upon by the Missions Committee over a five year projected period: hopefully 10 new works, enhancement of percent of giving to missions by 10%, encouragement of each church in mission education, involvement and a broader development of Brotherhood and WMU, and the placement of at least five missionary inclined persons in high density multi-family dwellings through sponsoring churches.

Areas considered for possible development after completion of field work to determine feasability, amounts of interest shown by neighborhood residents, existing churches, etc. are Castle Hayne (proper), South Topsail, Gabes Point, and Pleasure Island. Some work has been accomplished by churches adjacent or near and by individuals. Future meetings with churches and individual residents will determine our next efforts in following up.

A representative group appeared at a special called meeting to discuss the possibility of affiliating an already existing church with the Wilmington Baptist Association, as a Baptist congregation. After hearing the pastor and several of the members, and at the conclusion of a lengthy discussion between them and the missions committee, they were given a copy of the standing policy for an already established church to join the association. We assured them of our prayers and co-operation in their endeavor. To date there has been no further official contact with the Missions Committee from this group.

Saint Paul's Church has been contacted reference renewal or continuation of membership in WBA. A meeting is scheduled for the handling of this matter on the second Sunday in October. Some State Convention Representation is scheduled to be present to assist.

One church in the association has applied for and received pastoral salary assistance this year.

Several abbreviated copies of the Baptist State Convention's Missions Council Development Chart were mailed to each church. On the back was information pertaining to the reorganization of the associational Missions Committee. This was to be studied by messengers to the Annual Meeting prior to voting.

God has blessed. Pray for His continuing blessings in this great missions endeavor.

Respectfully submitted,

Bill Oaks, Chairperson

## CHRISTIAN LIFE & PUBLIC AFFAIRS

Work has been slow this year due to a lack of support.

We have made information available to those who requested it. We have also sent information out in the pastor/staff mailouts.

We have arranged a seminar on the First Amendment and our rights as expressed by that Amendment. This will be October 29th, Murray Memorial at 7:00 p.m. The speaker will be Mr. Stan Hastey, Director of Information Services for the Baptist Joint Committee on Public Affairs in Washington, D.C.

I hope there is more participation and support in the coming year.

Respectfully submitted,

Fred Walker, Chairman

## BAPTIST STUDENT UNION ADVISORY COMMITTEE

The Baptist Student Union Advisory Committee has as its primary tasks: (1) to act as a support group for the Baptist Student Union of the University of North Carolina at Wilmington; and, (2) to act as a liaison between the Baptist Student Union and the churches of the Wilmington Baptist Association.

Prior to September 28, 1987 there was no Baptist Student Union Director, therefore the Advisory Committee had the additional task of directing Baptist Student Union activities on the campus.

The Advisory Committee has involved itself in a two phase plan this year. Phase one included beginning in the Fall of 1987 with a small nucleus of students, meeting on a regular basis. To help facilitate this phase the Baptist Student Union Advisory Committee, with the help of laymen from local churches, helped students move into the dormitories at the beginning of the Fall Semester. Excellent contacts were made at this time.

As of this writing, Mr. Tony Capehart has been meeting each Monday evening with the students.

Phase two of the plan involved projections for the Second Semester, beginning in January of 1988. At this time the Advisory Committee hopes to have a much more visible Baptist Student Union on the campus.

The calling of Carlene Evans as Resort/Leisure/BSU Director for the WBA has been a major step forward for the Baptist Student Union. The BSU Advisory committee is excited about the help Carlene promises to be for Baptist Student Union.

During the year, the Baptist Student Union Advisory Committee has discussed the mission and philosophy of Baptist Student Union and its relationship with the United Christian Campus Ministries. The committee recognizes the worth and ministry of UCCM; however, the goal of Baptist Student Union is to provide a distinctively Baptist organization on the UNC-W campus. A cooperative spirit currently exists between the organizations and this spirit is anticipated to continue.

Respectfully submitted,

Joe Peterson, Chairman
BSU Advisory Committee

## UNITED CHRISTIAN CAMPUS MINISTRY

United Christian Campus Ministry continues in its work in behalf of the Wilmington Baptist Association, the State Baptist Convention and the other denominations which support it.

The 1986-87 school year was marred by a series of six separate tragic deaths at UNCW which found Bob Haywood called upon over and over again to work with the students and families involved in these losses and, in several cases, asked to conduct funeral or memorial services. This heightened an already trusting relationship between the university and our campus ministry. Ongoing student work continued with fall and winter retreats, Bob and his wife both leading workshops at the State Student Conference at Ridgecrest, various small group activities and personal counseling. One major change has been the establishment of a new campus-wide student group called F.O.C.U.S. (Fellowship of Christian University Students) which has begun to meet a need for a student organization that helps students explore the various dimensions of other Christian discipleship. Beginning in August, this group already has a core of 30-40 students involved. Nine of us just returned from spending fall break in Washington, D.C. where we learned about some of the special Christian ministries carried out in our nations capitol.

Bob continues to be called upon to do guest lectures in a variety of classes and programming in the Residence Halls. In a week long hunger emphasis in October of 1986 the students raised over $1000 through a five-mile hunger walk and a miss-a-meal program.

The Board of Directors of United Christian Campus Ministry continues to feel good about the work that is being carried out. The continued support of the Baptist Association is important and necessary.

## ACTS REPORT

The Wilmington Acts Board has been working hard this year to establish this ministry. We have secured the needed equipment to function as an independent station. The equipment includes a small building, a satellite dish, insertion and production equipment. We very badly need the prayers and support of all our churches to completely make this ministry the effective tool it was intended to be.

Respectfully submitted,

Herb McCarthy, Chairman
ACTS Board

## RESOLUTIONS AND MEMORIALS COMMITTEE

We recommend the following:

1. That we recognize our host churches, Silver Lake Baptist Church and Burgaw Baptist Church, and express our gratitude to them for their gracious hospitality and provisions for our physical comfort.

2. That we express our appreciation to the staff, office secretaries, and all officers of the Wilmington Baptist Association for their leadership during the Associational year.

3. That we thank the Program Committee and all who worked with them in making the 87th session of the Wilmington Baptist Association informative, inspiring, and challenging.

4. That we express our sincere gratitude to our speakers, the Reverend Ned Matthews, Pastor of Parkwood Baptist Church, Gastonia, N.C., the Reverend O.D. Martin, Director of Stewardship for the Baptist State Convention of North Carolina, and the Reverend Danny Hawkins, Pastor of Wrightsville Beach Baptist Church.

5. We offer the following in memory of the 182 brothers and sisters who have gone to be with our Lord. Let us stand for a moment of silence and the reading of John 14:1-3, and for a prayer of thanksgiving for their lives, and new commitment of our lives to the work of our Lord here and around the world.

   We further recommend that their names be included in the Associational Minutes.

Hopefully the whole family will become involved as the children are interested. - Several of the committee chairpersons have met. Members will receive information by mail. - Debbie Smith has prepared a trememdous mission study, demonstrating how important it is for Southern Baptists to realize their Bold Mission goals and to be able to be successful in winning the world to Christ by the year 2000. Other groups have also set goals to take over the world by the year 2000, turning us into a "one-world government" that is Godless, immoral and valueless. - It is hoped that pastors of churches who have not chosen to do a mission study or selected a mission study person will use some of this material in sermon material that we might be encouraged to move out in a bold way. - Tickets for the World Missions Fair arrived today and will be put together next week. - Missionary assignments will be completed when housing information is received from ten more churches.

Documented information was presented concerning the involvement of Paul Robeson in the American Communist Party. This is the man who has been prominantly featured by Pepsi Cola on their poster saluting black Americans. This information is available for anyone desiring it.

Ralph Holt - Christian Social Ministries

The Christian Social Ministries Committee is sponsoring a seminar, "Help and Hope for People who have Emotionally Disturbed Family Members." This will be held on March 24 from 7:00-9:00 p.m. in the Wilmington Baptist Association Conference Room. There is a real need to know how to recognize depression and other emotional problems in families. This conference will offer help as well as a time for questions and discussion. Dr. Ralph Fisscher, a staff psychiatrist, and Constance Simon, clinical social worker, with Southeastern Mental Health will lead the conference. Anyone dealing with these problems in another person is encouraged to attend.

The information for the Crisis Assistance Directory has been compiled and is awaiting approval from Mrs. Cook before being typed, printed and made available.

A prison ministry will be discussed at the next Christian Social Ministries meeting.

Ken Boaz - Sunday School Assist Team & BSU Advisory Committee

The Vacation Bible School clinic has been changed from May 18 to April 23 and 30.

The BSU Advisory Committee met this morning at 11:00 in the Wilmington Baptist Association Conference Room. This committee, working with Tony Capehart, is looking forward to making plans for the fall.

Linda Sanders - WMU

Favorable reports of new organizations and growth are coming in. Training in individual churches continues to be requested and implemented.

The WMU Leadership has met for seven consecutive Mondays to pray for and secure associational leaders for the coming year which begins with the election of officers on April 27, 1987. Seventeen leaders had to be replaced. An Assistant WMU Director, Secretary, Assistant Acteen Director, and an Assistant Mission Friends Director are needed.

Mr. David Palmer, who was scheduled as the missionary speaker for the WMU Annual Missions Rally on April 27, has moved to Portland, Oregon and had to be cancelled due to the travel expense which would be involved. At this time another missionary has not been secured, but it is believed that the Lord will provide the right person.

Mission Friends Director Bebe Hawkins taught a seminar on "Training to Teach the History of WMU to Preschoolers" on March 12 at Pine Valley Baptist Church. The purpose was to help Mission Friends leaders show preschoolers how children for 100 years, both Sunbeams and Mission Friends, have supported missions by giving their money and praying. This is one of the Centennial Celebration activities.

Acteens had a "Gifts are for Giving" seminar on March 14 at Lake Forest Baptist Church. The purpose of this was to help each Acteen discover her spiritual gift or gifts and to use them. Twenty-nine girls were present, representing eight churches.

The bus trip to the N.C. WMU Annual Meeting at Ridgecrest on March 27 and 28 was cancelled due to failure to meet the quota. However, many ladies are still planning to attend.

Ed Stines - DOM

Rev. Stines reported that five persons attended the Vacation Bible School Training in Bladenboro on February 20. The original date for the associational training was changed from May 18 to April 23 at Mount Holly and April 30 at First Baptist Church Activities Center to allow the churches more planning time and hopefully closer locations.

Rev. Stines made reports from the following committees and groups.

RESORT - Debbie Smith along with several of the pastors and lay persons is attending a National Resort Conference in Paris Landing, Tennessee. This weeklong conference is held once every three years.

Rev. Stines, Mrs. Smith, Rev. Don Horn, Rev. Tommy Register and Mrs. Ray Tester attended a conference on resort ministry in New Bern on March 3. This was a very good meeting offering many good ideas for reaching the new people moving into resort areas.

NOMINATING COMMITTEE - The nominating committee is continuing it's work in filling leadership positions. The next meeting will be on March 31.

The bivocational pastors, along with their deacon chairman, Sunday School Director and spouses met last evening at Whitey's Restaurant. Twenty-nine persons were present. Billy Beavers, who is a Sunday School Consultant, shared about Sunday School work in the small church setting. Some good ideas were given. This is an effort to help pastors regardless of the church size or their situation. The same ministry responsibilities of reaching people for Christ are there regardless of church size.

MUSIC COMMITTEE - The Music Committee is meeting monthly. Plans have been made for an associational senior adult music fellowship on June 2. This is open to all senior adults. Charles Gatwood will be leading a rehearsal beginning at 2:00 p.m. At 7:00 there will be a "Singsational Singspiration" with participation from local senior adult choirs as well as mass choir and congregation. It is hoped that this will be a catylist for some new senior adult choirs.

On October 8, there will be a Choral Sounds Clinic at Pine Valley Baptist Church at 7:00 p.m. Dr.Rhonda Flemming from East Carolina University will be the guest clinician. This will possibly be a regional clinic.

YOUTH COMMITTEE - The Youth Committee met today. There will be an associational event on August 22 at Greenfield Amphitheater beginning at 2:00 p.m. with "new games," local talent, a speaker and music.

There was discussion on planning some core events with churches who have active programs and those with a small youth group.

Rev. Stines presented copies of the Associational Objectives and Goals to those present. There is a need to determine some priority items and to zero in on these. Some goals have been reached while others haven't been touched. These items are to be studied and prayed over and will be discussed at a later meeting.

A brief financial report and individual church contributions report was given to each member along with a copy of the present budget. It was brought to the committee's attention that our finances are just covering our operating expenses, leaving very little for programs and ministry. The financial needs will greatly increase for the summer.

There was some discussion relative to what we can do to improve the financial situation. The general consensus was that the churches are not fully aware of the tightness of our associational monies. It was suggested that the stewardship committee be informed of the situation to determine what can be done to encourage more financial support from the churches.

Durwood and Ann Broughton who are missionaries to Ivory Coast, West Africa will be coming the latter part of July to live in the missionary furlough house for six months. His responsibility is General Evangelist and hers is Church/Home. They have a daughter, born April 30, 1986.

There will be an Eastern North Carolina Evangelism Conference at Caswell on May 1 and 2. Program personalities will include Bob Dale, Jack Hinton, Dewey Hobbs, James Cecil, Beverly Pierce, Charles Allen and Chuck Byrd. There will be several conferences from which to choose. The overnight stay and meals is $20 per couple, $15 individual. Deadline for registration is April 13, 1987.

The meeting was adjourned. Rev. Ken Boaz led in prayer.

## EXECUTIVE MINUTES

The Executive Committee of the Wilmington Baptist Association met Tuesday, April 14, 1987 at 7:30 p.m. at the Wilmington Baptist Association Office.

Glenn Kling, moderator, opened the meeting with prayer and then recognized members present for reports.

REPORTS:

Freddie Walker, chairman, Christian Life and Public Affairs announced that the committee would be meeting Thursday night, April 16. He stressed the need to write our state government representatives concerning legislation pertaining to the establishment of a state lottery. Passage of such legislation seems very possible and may be imminent. Need of pastors to inform members was stressed. Information has been supplied pastors through the Wilmington Baptist Association Developer and pastor/staff mailout.

Marsha Cook, Christian Social Ministries Director brought everyone up to date on the World Missions Conference specifically sharing the following information.

1. A couple of churches have inquired about providing a midnight buffet for shift workers. First Baptist Wallace is committed to this and has received a very favorable response from businesses.
2. There are a number of engagements for missionaries in schools. Response for an after school program where there would be an opportunity for witness has been slow however.
3. Assignments of missionaries have been made.
4. Missions Fair tickets have been distributed to churches and should be being sold. Money is needed by the 29th.

Marsha also announced that UNCW now offers a college credit course in teaching adults to read and write. The Laubach method is included. 200 students and teachers are now involved in the Literacy Mission. A banquet and auction will be held at the Hilton on June 26 as a fund raising event.

1. March 3 - Five people attended a conference in New Bern entitled "How to Reach People Moving into Resort Areas."

3. March 27 - Training session held for coordinators of mission groups which will be coming to our area. There will be 25 mission groups, four Acteen Activator groups here this summer.
4. April 3-5 - The Wilmington Baptist Association Family Camping Weekend was attended by four families consisting of 13 people. Poor weather caused five families to cancel. 29 attended Sunday worship service at the campground.
5. May 11-16 - Five people are going on the Adult Back Packing Trip.
6. May 22-24 - Campers on Mission Construction Weekend at North Topsail Shores.
7. Lighthouse Project, a seven member adult mobile evangelistic team,

has been formed and will be singing each Friday at Wrightsville Beach and Saturdays at Carolina Beach. They will be singing at other churches as invited. Reggie Rushing and Royce Williams are coordinating this project.

Jerry Beck, Resort Committee chairman presented proposed objectives to be added to the Wilmington Baptist Association Long Range Planning Goals for 1985-89. As Resort Ministries was not included in the original goals, the Executive Committee had asked the Resort Committee to make recommendations to add. (In the discussion Glenn asked how to evaluate whether goals already adopted were being met. According to Ed Stines, association leaders were asked at the last meeting to look at their goals and evaluate. Suggestion was made to call people responsible for several of the areas of ministry and have them report at the next meeting. Over the next few meetings all leaders would be asked to report.) Jerry moved adding goals of the Resort Ministry as presented to the Wilmington Baptist Association Long Range Planning Goals. Motion seconded and passed unanimously.

Jerry recommended a study be made before July 31, 1987 about the future of the Resort Ministries. Need for full time Director of Resort Ministries or application for new US-2'er will exist with the end of Debbie's term. Jerry moved, seconded by Ken and passed unanimously. There was some uncertainty as to whom the study should be referred.

Joel Hunt, Seminary Extension chairman announced three classes to begin in September. These are Church Growth led by Bill Smith, Music Ministry for the Small Church led by Peggy Croom and a possible repeat of Dynamics of Teaching led by Paul Nix. Nine people from three churches have already taken the Dynamics of Teaching class. In May a New Testament Theology class may be taught depending on success obtaining an instructor. Registration costs have increased from $15 to $17.

The New River Association is now offering master's courses through their Southern Baptist Center for Biblical Studies.

Ken Boaz, Sunday School Assist Team & BSU had no report.

Ed Stines, Director of Missions, shared several items of information.

1. The WMU Annual Associational Mission Rally will be held at Temple Baptist Church on April 27. Need for pastors to attend was emphasized.

2. Senior Adult Music Fellowship will be held June 2 at Winter Park. The event will feature an afternoon rehearsal led by Charles Gatwood, recently retired Director of the North Carolina Baptist State Convention Music Department. Following a break for supper a praise service will be held which will feature the Senior Adult Choir but will be for everyone.
   A hymn playing clinic will be held in September.
   A Choral Sounds Clinic led by Dr. Rhonda Flemming will be held in October.

3. Brotherhood Rally will be held Thursday, May 21, 7:00 p.m. at Sunset Park. The speaker is Curtis Barbery. The dinner is free.

4. On Saturday, May 9 licensed electricians and plumbers are needed to assist in building a new church at North Topsail Shores.

5. Youth Committee has reserved 40 spaces at Caswell August 3-8 for churches who wish to go. The association will provide chaperones. Summer Youth Day will be held August 22. Plans are being reevaluated due to unexpected costs and requirements by visiting singer and leader.
   "Breakaway Conference" led by Barry St. Clair will be held September 26 at First Baptist Activities Center. Separate conferences will be

held for youth and leaders.

6. The financial situation is very tight. Approximately $13,000 per month is now being received from the churches which is about equal to the regular operating expenses leaving no money for the program ministries. This year 28 churches have given less, 6 remained the same, 13 have made a small increase and 9 have increased by $500 or more. Very few options for cutting expenditures can be found. The Stewardship Committee will meet on the 28th.

Glenn called on Ken Boaz to close the meeting with prayer, particularly remembering Linda Sanders' father who is quite ill.

Copy of these recommendations is attached.

There was some question whether Calvary had anticipated using the $500 for the couple coming in for the Chinese Mission. Bill Godwin was asked to check on this and report back if the money was needed. General feeling, however, was that there were no plans for this budget amount.

In reply to a question by Fred Walker, it was explained that the $500 cut in the Christian Life and Public Affairs referred to the money allocated for a campaign on the abortion issue.

Linda Sanders questioned the WMU cut because of commitments such as Ridgecrest which had already been made. This cut was withdrawn.

Motion was made and carried that cuts be made in the budget as listed with the exception of WMU.

Ed Stines reporting for the BSU stated that "Fair Days" had been scheduled for June 19, 22 and 26 to meet new students. Mailings were being made to churches asking for students' names to be sent to the North Carolina Baptist State Convention which would pass them on to us.

On May 30 the Annual Tutor Recognition will be held. 75 tutors and 200 students are signed up. Approximately 250 have been placed since January.

EXECUTIVE MINUTES

The Executive Committee of the Wilmington Baptist Association met Tuesday, June 23, 1987 at 7:30 p.m. for it's yearly calendar planning. The meeting was held at the Wilmington Baptist Association Office.

Glenn Kling, moderator, called the meeting to order and asked Fred Walker to lead in prayer.

Included on the agenda were: 1)three committees had been written and asked to report on status on reaching long range goals set by the Wilmington Baptist Association, 2)a report from Jim Kelly concerning building maintenance, 3)making plans for the July General Board Meeting, and, 4)calendar planning for the next year.

Those asked to report were personnel, church liaison and stewardship committees. The personnel committee was not represented at the meeting but it was noted that they were working on personnel performance review, projected staff increases and preparing and updating job descriptions. Church Liaison also was not present. Jim Mott reported for the stewardship committee that their main long range goal was to have each church to increase their giving by a certain percentage. Though it had been a difficult financial year, some churches had been contacted concerning their giving.

Jim Kelly brought a proposal to paint the outside of the WBA building, repair loose gutters and repair the road sign. No action was taken by the Executive Committee as it was noted that the Properties Committee already has the authority to do that within budget limitations. Jim also mentioned the need to add gutters at one place on the building and was advised to do as the committee saw fit.

An added item to the agenda was that there has been a church to ask to receive financial support from the North Carolina Baptist State Convention. This was referred to Bill Oaks and the Mission Action Committee which will be reporting to Ed Stines.

A planning session was held for the General Board meeting on July 21. The meeting schedule was discussed and decided upon.

EXECUTIVE MINUTES

The Executive Committee of the Wilmington Baptist Association met August 18, 1987 at 7:30 p.m. Glenn Kling, moderator, called upon David Stewart to open the meeting with prayer.

Bill Oaks reported for the Missions Development Committee that a new organizational plan had been introduced at the July General Board Meeting.

Paul Nix presented the members present with an organizational chart of the new organization structure. It was expressed that a major goal of the new plan is to make individuals responsible for specific areas of associational missions. This would allow them to develop expertise as they continue to serve in that area as long as they were willing and effective. This would eliminate the current rotation system.

Bill moved that the Association Missions Development Concept be adopted as recommended by the state convention. The motion was seconded. During the discussion it was noted that Marsha Cook's title would change from Christian Social Ministries to Church Community Ministries Director. In the way of implementation, Paul Nix would approach the Constitution and By-Laws Committee and the Nominating Committee in making the changes. The motion passed with no dissent.

Jerry Beck, on behalf of the BSU Advisory Committee and the Resort and Leisure Ministries Committee, moved that the association combine the position of BSU worker with the Resort/Leisure Ministry Director and that the association pursue hiring someone for that position. The motion was seconded and passed with no dissent. David Stewart moved and it was seconded and passed that Ed Stines be given authority to use his discretion in using funds for bringing in individuals for interviews and relocation.

Joe Peterson reported that the BSU Advisory Committee had been meeting weekly in reference to the BSU at UNC-W. David Moore from the State Baptist Convention had helped in advising the committee. Current plans call for a low key approach this fall including offering help to students as they moved in. A more concentrated and more highly visible program is hoped for during the second semester. Long range hopes are for a structure to house the BSU program. Woodrow Lennon mentioned that original plans for the current WBA plot of land called for a BSU building to be built at the rear of the current WBA office building.

Woodrow Lennon addressed the needs of the Seaman's Center due to decreasing financial support from the Home Mission Board. He expressed the hope that perhaps the association could increase support to help offset this. It was also noted that donations of any drink cans made by the Coca-Cola Company which are all aluminum can be donated to help fund the center.

Mr. Lennon also discussed the Chinese Mission at Calvary. A young couple worked during the summer to locate and invite Chinese people to be involved.

Marsha Cook reported that six professions of faith had been made during the summer.

Loretta Grady who was working at Garden Lake Estates, was going to continue the work there this fall due to the good responses. Darryl Hill, Mr. Wilmington, did a body building demonstration there and gave his testimony. Darryl will also be teaching at the exercise room at Mill Creek Apartments beginning September 1 or 8.

The Rescue Mission has had more than 100 professions of faith.

On November 5 a conference for families of those with mental and/or emotional problems will be led by Rev. Clyde Smith at the WBA office.

The next ESOL workshop will be held September 17, 18 and 19 from 6:00 to

9:30. A bulletin insert will be made available for churches to use on Literacy Sunday, September 6. Around 250 people, including 38 who have graduated, have been involved in the literacy program this year.

Churches are still being encouraged to begin after-school programs. A manual is available.

A new directory of resources for help with various needs has been distributed to pastors. A copy will also be sent to WMU Directors.

Requests for financial assistance are up and exceeding budgeted funds.

Marsha also reported for Linda Sanders that and Associational WMU leadership training seminar will be held September 21 from 7:00-9:30 at Sunset Park.

Jim Kelly had no report.

Ed Stines presented Debbie Smith's written report. Decisions so far included 23 salvation experiences, 25 recommitments and 2 commitments to full-time Christian ministry.

Ed also presented a financial report which showed an improving financial position.

WMU and Brotherhood have been asked to contribute $1.00 per member to cover the utility cost for the Missionary Furlough House.

The Evangelism Committee is considering a 1988 fall or 1989 spring rally.

Jack Carter has resigned as the association's Church Training Director. Mention was also made of the many ministerial vacancies in the association.

The Break Away Conference for youth and youth leaders on September 26 was promoted.

Plans are being made for the Associational Annual Meeting in October.

Following a motion to adjourn, Paul Nix was asked to dismiss with prayer.

Those present were Glenn Kling, Bill Oaks, Paul Nix, Jerry Beck, Joe Peterson, Woodrow Lennon, Jim Kelly, Marsha Cook, Ed Stines and Ed Oakley.

The General Board met in a called session on November 25, 1986 at 7:15 p.m. at Pine Valley Baptist Church for the purpose of hearing a recommendation from the Director of Missions Search Committee.

The meeting was called to order by Glenn Kling, Moderator.

Herb McCarthy, Minister of Education-Administration, at Pine Valley, gave the welcome and led in the opening prayer.

A devotion was given by Ruth Murray.

Business Session:

A brochure with biographical information on Rev. Charles Edward "Ed" Stines was made available to all present.

The Director of Missions Search Committee presented the following motion:

The Search Committee of the Wilmington Baptist Association highly recommends the call of Rev. Charles Edward "Ed" Stines as our Director of Missions. Upon the approval of the General Board and the acceptance by Rev. Stines he will begin serving our Association on January 1, 1987.

The committee has spent several months seeking God's will in this matter and feels that God has led us to Ed Stines. Ed is no stranger to this area, having served two churches of this Association in the 1960's. His style of leadership is marked upon those communities and churches that he has served over the years. In all cases they have been strengthened and have provided guidance to other churches in our state. Mr. Stines has proven by his administrative skill to stabilize churches by his positive leadership and bring them forth as strong supportive churches to the cause of Christ throughout North Carolina. God has prepared this man for our needs in this Association.

We recommend the call of Rev. Stines based upon the following proposal:

1. He will begin service on the field January 1, 1987. (Note that January 1 is observed as a holiday in this Association; therefore, his first day in the office will be January 2, 1987)

2. The salary package of $35,727 will be provided in this call. This is the approved package of the Association. Sub-accounts such as housing, utilities, etc. will be worked out upon the purchase of a house in the Wilmington area by the Stines.

3. The Association will bear the expense of moving the Stines' household furnishings to Wilmington from Kernersville, N.C. This is estimated to be approximately $2500.

4. Note of interest: THe Missionary House Committee has given approval for the use of the missionary home for the Stines until their house is sold in Kernersville, N.C. It is understood that schedules have been made with a missionary family for early summer and that this house must be available for that commitment.

The vote was taken by ballot and was passed 60-3.

Music was provided by an impromptu quartet.

Freddie Walker led in the closing prayer.

The meeting was adjourned by Glenn Kling.

Respectfully submitted,

Glenn Kling, Clerk Pro Tem

11. Rev. Mathews spoke on how we can "touch lives and change people." He used Ephesians 6:17-20 as his text.
    - If we really want to get back to basics in doing missions, we are going to have to get back to prayer.
    - There is a great need for increase in missionary effort, in stronger evangelistic churches, stronger numbers in baptisms, people coming to Christ and the church being a catalyst for change in the world today. This will only happen when people are committed to prayer. The key is prayer.
    - The lifeline to missions is the prayer line.
    - We say "give us more missionaries" and God is saying "give me more prayer." When we pray, God multiplies the mission effort of the church.
    - There are three things we need to do if we are going to touch lives and change people:
      a. We must join the battle - We are locked in a battle with Satan who is snatching young people daily. Sometimes we sense that the church is about to be overwhelmed by the forces of evil around us. We need prayer warriors.
      b. Once we join, we have to stay at it. Pray always. Jesus gave us the command to "watch and pray" and to "go into all the world and make disciples of men." The church seems to have no impact on the climate of the world around us. We need to pray first for one another.
      c. We need to link up with others. One of the great things about the Baptist Association is that ability to cooperate - to link up. It's one of the great things about the cooperative program and missions offerings. We're able to link up forming a network of support for the work of God.
    - Is it the motivating drive of our lives to bring people to Christ and to disciple them? This is what Paul wanted to do and he requested prayer to accomplish it.
    - We need bold proclaimation from lay people as well as preachers and we must link together in prayer.
12. Rev. Eller led the congregation in "Blessed Assurance."
13. Rev. Joey Faucette, pastor of Riley's Creek Baptist Church presented the National Missions Prayer Plan. This is a three year plan.

28. The quartet shared in special music. Their selections were "Like a River Glorious" and "Old Nickodemus."
29. The Annual Sermon was preached by Rev. Danny Hawkins, pastor of Wrightsville Beach Baptist Church.
Rev. Hawkins made the following points using Matthew 24:34-40 as his text.
- God loves us with an unconditional love.
- God has commanded us to love others unconditionally, even those who are difficult to love.
- Touching lives and reaching people through God's love is the greatest of all commandments.
- Prayer is an essential aspect of any methodology for reaching people.
- Is a methodology without motivation of any avail? There must be motivation behind the method or there will be no reality.
- The Christian community could be looked on in a new light if Christians would love God and others.
- The world is waiting not to just hear nice things but rather to see the gospel lived out in us.
- When we are about the business of loving God, loving others and bringing the two together, then redemption takes place.
- What Southern Baptists need is not another method, but rather a focus on the right motivation to create real change in the lives of people, that they might be won to Christ.
30. Congregational Hymn - "He Lives"
31. Christian Social Ministries Report - Mrs. Marsha Cook
- There will be a seminar on the First Ammendment on October 29 at Murray Memorial Baptist Church. It is very important for us to learn to use our first ammendment rights as Christians.
- A seminar for family members of persons who are experiencing mental distress is planned. This will be a time of sharing and learning some coping skills.
- There is a tremendous need for churches to exemplify the love of Christ to people within our communities. Some of the ministry opportunities exist with those in multi-family housing, senior adults, blind and vision impaired, deaf and vision impaired.
- There has been an excellent ministry this year to between 500 and 700 families through food closets and food pantries.
- A new policy for food stamp recipients will require them to fill out a monthly form, in it's entirety. This will be a good way for us to minister as we assist those who cannot understand or read these forms.
- The summer missions teams for this year have been involved in five area churches doing survey for growth. Over 4,000 households were surveyed. They found over 1,000 prospects. Backyard Bible Clubs had 266 children attending one day Bible Clubs. Names of prospects were given to churches and these people were encouraged to become involved in the church programs. Plans are to do this again next year.
- It is our responsibility to meet the needs of people and to share the gospel with them. We never know what God wants to do in another person's life as a result of "a seed sown."

32. Reports and Recommendations

- Time, Place and Preacher Report - Dr. David Goodroe

Motion was made for the next annual meeting which will be on October 17 and 18 to be held at Temple Baptist Church on October 17 and Barlow Vista Baptist Church on October 18. The annual sermon will be delivered by Rev. Norman Hunt with Rev. Tommy Register as alternate. The motion carried.

- Wilmington Baptist Bible Institute - Geary Walton

Twenty-seven students have taken courses this year. Thanks was extended to Rev. Ed Stines, Rev. Paul Nix, and Mr. Joel Hunt for guidance in this program. Two courses are presently in progress. Masterlife will be taught beginning in January.

-ACTS - Mr. Bob Farrer

The program is suffering some serious problems due to lack of financial support from the churches. There is the availability of air time for member churches and commercial time for businesses. The report on page 27 indicates that equipment was purchased. There is a debt remaining on this. There is an opportunityfor ministry in 33,000 homes through ACTS.

- Constitution Committee - Mr. Gary Trawick

In order for the new Missions Development Plan to be implemented, the Constitution Committee made the following recommendations.

1. That the annual meeting give tenative approval to implementation of the Missions Development Council;

2. That the annual meeting be advised of the proposed constitution amendments and that they be published in one of the bulletins at least thirty days prior to the 1988 Annual Meeting and voted on at the Annual Meeting, and

3. That the executive committee be given the authority to implement the Missions Development Council Program pending the formal adoption of this constitutional amendment.

The constitutional amendment would delete Article 6C (Missions Development Council), Article 6O (Resort Ministry Committee), and Article 6P (Christian Social Ministry Committee).

The proposed constitutional amendment would read as follows:

Article 6C. MISSIONS DEVELOPMENT COUNCIL - There shall be a Missions Development Council which shall be composed of a Mission Development Director, Missions Survey Director, Missions Promotion Director, WMU Representative, Brotherhood Representative, Sunday School Representative and Directors of such component programs (ie. Language Missions Director, Resort/Leisure Director, etc.) as the Association may from time to time deem necessary to carry out the work of the Missions Development Council. If from time to time the need arises for a component program the executive committee of the Association shall have authority to establish such component programs and appoint a director and such associate directors as needed until the next annual meeting of the Association at which time said program shall be presented for approval.

Missions Development Council members should be nominated by the Associational Nominating Committee and elected by the Association when it elects its other program leaders.

Ex officio members of Missions Development Council include the director of missions, moderator and, other associational staff members with related assignments.

Associational Missions Development Council has five mission performance tasks. They are to (1) call churches to be on mission; (2) provide resources and services to churches and leaders; (3) train, develop and en-

courage church and associational workers; (4) provide opportunities for working together in missions, ministry, growth and evangelism; (5) establish and maintain appropriate communications and relationships with the community and the denomination.

A motion was made by the Constitution Committee to accept this proposal. Rev. Paul Nix explained briefly how the proposed Missions Development Council can better distribute responsibility and accomplish our goals in missions, and how this plan relates to the local church. The motion carried.

Rev. Toby Frost spoke to the report of the United Christian Campus Ministry (UCCM). He expressed his reservations over supporting an organization which engages itself in some activities which are in contradiction to basic Baptist principles and beliefs. He expressed his concern over a lack of spiritual content within the organization. He stated that some positive steps had been taken this year as some money had been moved from UCCM to the BSU ministry, but felt this was not moving quickly enough.

The following motion was made by Rev. Robert Wring and seconded by Rev. Jim Baker:
   (1) To affirm the right of UCCM to minister at UNCW and to thank them for the years of friendly relationship;
   (2) To amend the budget taking $1300 from UCCM applying it to BSU for operating expenses;
   (3) To phase out office space within one year making it available to to BSU.

During a period of discussion, Rev. Ed Stines and Dr. Joe Peterson shared that those working through the association with BSU are aware of some of the problems with UCCM and the feelings of some members in the association. They believe that positive steps are being made which will enhance the ministry of BSU on the college campus as this ministry grows and as we direct our energies and financial resources toward BSU.

Dr. Peterson made a motion that the motion on the floor be tabled until the time when the BSU Advisory Committee has had time to make such moves. Rev. Joey Faucette seconded the motion. The motion to table carried.

6. Director of Missions Report - Rev. Ed Stines
(Report in "Reports to the Association")

## WOMAN'S MISSIONARY UNION

A CENTURY TO CELEBRATE - A FUTURE TO FULFILL, the Woman's Missionary Union Emphasis for 1987-88, had a three-fold philosophy: 1. to lead individuals, churches, and our association to reflect upon the heritage of WMU and experience anew the sense of mission and purpose that characterized our foremothers; 2. to affirm the mission purpose of WMU, and 3. to focus upon and strengthen the potential of WMU in its second century. We have been challenged by the watchword, Hebrews 13:7-8, which called on us to remember the past but also to prepare for our future.

The SALTalks (Special Associational Leadership Talks) was held September 21, 1987 at Sunset Park. The purpose of the conference was to help WMU leadership understand how to do their work and gain knowledge of what would be happening in WMU in 1987-88. The Wilmington Baptist Association WMU led all other North Carolina association in receiving WMU Leadership Awards in 1987. There were 96 awards.

Baptist Women's Worldwide Day of Prayer was observed in the seven geographical areas of our association on November 2, 1987.

An association Centennial Prayer Retreat was held on November 16, 1987 at Temple Baptist Church.

A Week of Prayer for Home Missions Rally was held on March 7, 1988 at Freedom Baptist Church and a Home Missions Breakfast Buffet at Days Inn, downtown on March 9. Home Missions literacy worker, Mary Allred, was the dynamic speaker for both events.

"A Century to Celebrate - A Future to Fulfill" was the theme of the seventy-seventh WMU Annual Missions Rally held at Pine Valley Baptist Church on April 25, 1988. "A Day in History - May 14, 1888", the birthday of WMU, was portrayed. Also a parade through the century, a look at WMU leaders of the past 100 years was presented. Dr. Sara Ann Hobbs, Director, Division of Missions, Baptist State Convention, brought the Centennial message. She spoke of the accomplishments of the past, but the main thought that she presented was the challenge of claiming the future. There were 225 registered participants. A Centennial Birthday Celebration immediately followed the Rally.

There were a large number of women from our Wilmington Baptist Association who attended the WMU Centennial Celebration in Richmond, Virginia on May 12-15, 1988. The WMU Director, as the official associational representative, participated in the parade of states. She proudly displayed the WMU-Wilmington Baptist Association banner.

A Mission Friends "LEARN-A-RAMA", for Mission Friends leaders was held on March 17, 1988 at Southside Baptist Church. The participants learned new ideas for crafts and activities. They also enjoyed a covered dish supper.

On November 14, 1987, a GA Missions Adventures Workshop was conducted at Winter Park Baptist Church. Missionaries, Rev. and Mrs. Durwood Broughton, and Rev. Ed Stines were guest speakers. Acteens from the association assisted the GA's with their missions adventures. A GA Day Camp at Patriot's Hall-Moores Creek Battleground was held on June 11, 1988. The theme of the day was "You Are Special".

An Acteens event, "Beautiful U", was held on February 13, 1988 at Freedom Baptist Church. The program's central theme was how Acteens can be beautiful on the inside as well as on the outside. Acteens also assisted with the

International Dinner on September 12, 1987.

A Baptist Young Women's Prayer Retreat was conducted at Camp Kirkwood on October 16-17, 1987. Guest speakers were Lucy Ivey, assistant WMU Director, and Ann Broughton, furloughing missionary. BYW's enjoyed a "Spuds-n-Stuff" on February 29, 1988, at Wrightsboro. Sally MacCallum encouraged the BYW's to live missions daily. On April 21, 1988, BYW's met at Barlow Vista for a "Sundae Nite Delight". Linda Sanders led in a look at past WMU leaders and challenged BYW's to be a part of the future.

On May 21, 1988, Baptist Women participated in a prayer retreat at Myrtle Grove Baptist Church. The retreat was conducted by Mary Ashe. Music was led by Wendy McDonald. The theme was "How Do I Pray For Missionaries?".

A final opportunity to "attend" the WMU Centennial Celebration in Richmond was offered on July 19, 1988, at the General Board meeting. This was made possible by means of an excellent video showing by Carolyn Edens, Co-Centennial Chairman.

The associational WMU provided knee-socks for the women prisoners at North Carolina State Prisons. Also the WMU's donated over 2,000 brownies which were sold during the Azalea Festival Parade. The $800 profit was used to help support the Women's Halfway House.

For 21 consecutive years the associational WMU has been awarded the Distinguished Award. This is the highest level of achievement. Five of our churches also reached the Distinguished level and four achieved Standard recognition.

As we have celebrated WMU's 100th birthday this year, we have been motivated to continue our efforts in missions education, missions support, mission action, and personal witnessing. The members of Woman's Missionary Union unite our hearts and voices as we go forward into our second century. We pledge to keep our eyes focused on God and His missions purpose. We accept with renewed commitment the challenge of His Great Commission.

Respectfully submitted,

Linda Sanders
WMU Director

## EVANGELISM

Our fourth Associational-wide Bible Conference was held on July 25-26, 1988. Dr. John Phillips a conference speaker with the Moody Bible Institute was our bible teacher for the conference along with the Baltzglier Family from Griffin, Ga., who did the special music.

Our Association sponsored a Lay Evangelism School which was a great success. There were 99 persons enrolled and went through five nights of Intensive Training which was led by Richard Everett of the State Evangelism Department.

Plans are now being made for the training sessions for our Associational Steering Committee for "Here's Hope" Simultaneous Revival Emphasis to be held in eastern North Carolina, March 18-25, 1990. All of our churches in the Wilmington Baptist Association are being asked to plan their Spring Revivals on these dates.

Respectfully submitted,
Norman R. Hunt, Chairman

## MISSIONARY FURLOUGH HOUSE COMMITTEE

The mission furlough house was occupied this year by Durwood "Dee", Anne, and Hannah Broughton who were home from the Ivory Coast.

During the month of April, shrubbery surrounding the house (as well as the shrubbery planting) was given by an anonymous donor. A magnolia tree was also donated.

A water softner system was installed and a facility for housing the unit outside was built.

Curtains for the bedrooms, baths, kitchen and utility room was purchased and draperies for the living and dining rooms were donated. Blinds are at all of the windows and sliding glass doors.

Another bed (with linens) and handmade afghan using the house colors were donated.

Baskets, vases, candlesticks and other appointments were donated that were in keeping with the decor.

Plans are being made now to purchase den furniture and two pieces of bedroom furniture.

The house is booked for occupancy from December 1988 through July 1993.

Respectfully submitted,

Norma H. Lewis, Chairperson

## MISSIONS DEVELOPMENT COUNCIL

Since, by the action taken at our last Annual Association Meeting, this has been a year of transition, this will be a joint report. We are changing from the committee format for doing missions to the council format.

Your Missions Committee reports the following activities:

1. We met with the Barlow Vista Baptist Church representatives in an effort to reconcile some differences that arose in their fellowship. When we were unsuccessful in our efforts to achieve reconciliation, a group of members withdrew to form a new church. They selected the name Topsail Baptist Church. We continued to assist both groups as they progressed through this very difficult time. We participated in their organization and let them through the steps required by our constitution (including the meeting with the Pastors of the Associaiton). On July 25 we approved their petition to become participating members of the Wilmington Baptist Association. We reported to a called meeting of the Pastors and they approved the petition to be reported to the Executive Committee and approved August 16, 1988.

2. We approved and presented to the Executive Committee three requests for Pastoral Aid from Pine View, New Hope and Topsail Churches.

3. We have continued to work with St. Paul's Baptist Church in regard to their watchcare status.

Your Association Mission Director is happy to report that the transition is progressing smoothly thanks to a wonderful spirit of cooperation of our Director of Missions and the Associational staff, the committee chairman and members of the committees affected by the change. Thank you very much.

Also, I am happy to report that pastors and churches have shown a positive attitude toward the change. We are ready on the Associational level for the new Associational year. Also, we are ready to work with the Pastors and Churches in making the transition to Church Mission Development programs as soon as they are ready.

Respectfully submitted,

INTERNATIONAL SEAMEN'S SERVICE, INC. COMMITTEE

I would like to thank the Wilmington Baptist Association for the opportunity of serving on The International Seamen's Service Center Committee for the past several years. Also, thanks to Mrs. Delores Milliken (College Acres Baptist Church) and to Mrs. Peggy Lara (Lake Forest Baptist Church) for serving with me. By virtue of their serving on this committee they also became members of the International Seamen's Council. Thanks also, to Mrs. Geraldine McGinnis (Masonboro Baptist Church) who joined us on the Seamen's Center Council at our annual volunteer meeting last January by being elected to the council from the volunteers-at-large. Mrs. McGinnis obtained permission for the volunteers to hold their "Spring Fellowship" at the facilities of Masonboro Baptist Church. A big THANKS go to Masonboro Baptist Church for their kindness.

We are grateful to the Wilmington Baptist Association and the North Carolina Baptist State Convention for the financial support given to the Seamen's Ministry.

A comprehensive account of all the activities of the center is not possible for this report. However, a "Thumb-Nail" sketch of some of the activities of the center, by the volunteers and the Chaplain is included in a report submitted by: Rev. Vernon L. Fash, Chaplain, Seamen's Service Center.

The following is a report to the Wilmington Baptist Association for the past year since the October 1987 annual meeting:

7,558 people from around the world have visited the Seamen Center.

Greater distribution of religious materials including Bibles, devotional books, tracts have been made aboard ships. Bible studies have been initiated and developed. Greater receptivity to these approaches are well met.

Christmas gifts distributed at the season were 1250. Over 300 courtesy trips were made to shopping areas of the city because many of the vessels are in for very short periods of time, namely hours, five to twelve, with much of that toward work aboard the ship. Some of the Seamen have attended local churches, met in the Chapel, and had worship services aboard ship.

Thousands of non-religious magazines have also been distributed widely, at the Center and aboard the ships. The Chaplain or some representative attempts to visit every ship at the State Port or outlying docks and terminals during the entire year. Five hundred and twenty-two vessels were visited last year.

Thank you again for your Love, Prayers and Support.

Woodrow W. Lennon, Chairman
Seamen's Service Center Committee

## ORDINATION ADVISORY COUNCIL

At the request of the respective churches, the Ordination Advisory Council met with, examined and recommended the following candidates for ordination to the Gospel Ministry:

Joel Hunt - Sunset Park Baptist
Haeng Joon Lee - Ogden Baptist

We continue to thrill in the fact that as God "lays His call upon" people's lives that they are willing to surrender and commit themselves to His will.

The Ordination Advisory Council appreciates the opportunity of assisting and advising the churches who call upon us to fulfill this very important responsibility.

Respectfully submitted,

Tommy Register, Chairman
Ordination Advisory Council

## (ASSISTeam)
## ASSOCIATIONAL SUNDAY SCHOOL IMPROVEMENT SUPPORT TEAM

The ASSISTeam attended the ASSIST Training Institute at First Baptist Church, Cary, on February 5-6.

The ASSISTeam has held three Sunday School Directors' Meetings and three Sunday School Workers' Conferences this past year. The content of the Sunday School Directors' Meetings, attended by 19 different churches, was a 15 minute preview by the Age Group Leaders of their respective conferences. The average attendance at the Sunday School Workers' Conferences was 53, representing some 24 churches. The study course book, "The People Challenge", prepared for general officers as well as age group workers, served as the basis for each conference. One third of the material of each study course book was used under the conference theme - GOING, TELLING, TEACHING. This effort was designed to ASSIST each church in making advance preparation for their 1988-89 Sunday School year.

The ASSISTeam also assisted individually in conference work in seven other churches.

The Vacation Bible School Clinic was conducted on April 30 at Pine Valley Baptist Church. Those leading this specialized conference were trained at the State VBS Clinic held in Jacksonville, February 26. A total of 95 attended the local clinic, representing 22 churches.

Your ASSISTeam has again formulated plans to help churches in the current Sunday School year as well as preparing for 1989-90. The "kick off" event is an Associational Sunday School Directors' Banquet, November 8, 1988, at Winter Park Baptist Church. The guest speaker will be Robert Stewart, Sunday School Department, Baptist State Convention of North Carolina. Three times during the year, in three different areas, your ASSISTeam will lead Sunday School Workers' Workshops using the theme, "Understanding The People We Teach." The final event, simultaneously held in all three areas, will be a Sunday School "Share Hope Clinic", October 2-4, 1989.

Respectfully submitted,

John Pruitt, Chairman
ASSISTeam

## CHURCH TRAINING

This has been a fruitful year for Church Training as the dust of rennovation begins to settle. During the past year of transition, the number of our churches reporting Church Training decreased by nine, the number of directors by three, and the enrollment by 724. Does this spell gloom and doom for Church Training? No! There has been a 25% gain in Church Training over the last nine years, making it one of the fastest growing programs in the association. I believe the decrease highlights the importance of the associational team which has been in some disarray during transition.

During the year, I have looked and listened to what you have shown and said were needed in the association. The 1988-89 calendar will reflect many of these needs in the many conferences which will be offered. Stay informed and let the association strengthen your church in these areas.

In January of 1988, Church Training and Seminary Extension teamed up to offer three MasterLife groups. These were comprised of 18 people from 9 different churches. They were completed in June with nine disciples, and four others working toward completion. As a result, three MasterLife groups are being planned in local churches this fall.

"M" Night 1987 was hosted by Calvary Baptist Church with the theme, "The Year of the Laity". Tex Floyd, an active layman from Murray Memorial and director of the WBA Brotherhood, spoke. There were 14 churches present. The 1988 "M" Night was held October 4 with the president of the Baptist State Convention of N.C., Dr. Leon Smith, as the speaker.

This year's Bible Drill was a blast with 3 churches and 13 participants. It was hosted by Mt. Holly Baptist Church. All of the drillers were successful in completing the requirements for state competition. Congratulations to all those who worked so hard. Several other churches expressed an interest in participating next year. I hope you will !

In August, the three newest Church Training team members traveled to Caraway for their first round of training. In November, they will join the remainder of the team for association-centered training. We literally go the "extra mile" to be of greater service to you, our churches.

In September, Calvary Baptist Church helped us again. This time with the conference "Ingathering: Reclaiming Inactive Church Members." With 6,139 of our 26,000 members non-resident, and about 6,500 resident members uninvolved, this is a real need. Awareness and training coupled with action can change these embarrassing statistics. Marlin Steward from the Sunday School Board in Nashville led the conference.

Hal Bilbo, Director
Church Training

## YOUTH COUNCIL

This past year has been one of excitement and learning for the Youth Council.

The year began in October with a small group of concerned Youth Ministers and workers gathering to discuss the priorities and goals for the new year. Letters were sent out to all churches in our association to nominate 2 youth and 1 adult to serve on a Youth Ministry Council.

Monthly meetings were set up for the council. The group planned several events for the year.

The first was a concert by "Jeremiah People" which was held at Pine Valley Baptist Church. Approximately 500-600 people attended. It was a great time of worship and exciting fellowship. "Jeremiah People" were fantastic!

We planned a fun event for the summer and it was held at Hugh McCrae Park. Our first "wacky olympics" was a success. We didn't have the numbers that we anticipated, but the 60 or so that came and participated had a super time. Games were planned followed by a cookout and a grand finale shaving cream battle. Everyone had a great time. It's good to see a group of teenagers coming together and having good Christian fun.

Our Youth Ministry Council wanted also to do a mission project. It was voted on for us to begin a restoration project on a house for a needy family. The project is still continuing and hopefully will soon be completed.

It is a blessing to bring teens from all over the county together to minister to each other and for them to share the excitement that being a Christian can bring.

We are currently asking every church to participate in our new "Youth Ministry Council" by turning in the names of 2 youth and 1 adult who would be willing to serve actively on our council. This will enhance the ministry of the local church.

It has been a blessing to be a part of this group and I look forward to a very active and prosperous year.

Respectfully submitted,

Steve Underwood, Chairman
Youth Council

## BAPTIST STUDENT UNION ADVISORY COMMITTEE

The basic function of the Baptist Student Union at UNC-Wilmington is to provide a distinctively Baptist organization on campus. The Baptist Student Union Director is to work cooperatively with the BSU Advisory Committee, local church and associational leaders, and college personnel. The foundation for this working relationship has been accomplished during the year through the following:

- Monthly meetings with the BSU Advisory Committee

- Meetings with other Christian organization leaders on campus
- Speaking in churches about student ministry
- Participation in the annual crop walk on campus where money collected goes to the Foreign Mission Board for the hungry
- Participation in Exam Packs (food) for Freshmen during exams at Christmas
- Attended Global Concerns Conference in Washington, D.C. along with a BSU student from UNC-W in December 1987
- Represented Baptist Student Union at the Key Leadership Conference at Ridgecrest

In addition to the above activities, the BSU meets every Wednesday at 12:00 (noon) in the University Union Building on campus. Students are emerging in leadership positions and helping to lead Bible Studies. The ground work has been laid and Baptist Student Union is gradually becoming more recognized on campus.

Carlene C. Evans, Director
Baptist Student Union

A summary of our Resort Ministry is as follows:

- Elma Boone of Calvary Baptist Church coordinated worship services at Camelot Campground

- Wrightsville Beach Baptist Church continued to support the ministry by scheduling two mission youth groups in that area
- Wrightsville Beach continues to be involved in the marina ministry
- Kure Beach, First, Carolina Beach, First, and Surf City Churches continued their summer-long resort ministry family programs at the beaches, campgrounds, and Jubilee Park
- Third annual "Fun in the Son" festival at Surf City
- 20 mission groups from other states and associations served in our resort areas throughout the summer
- 87 professions of faith were made during the various ministry programs, which included 66 in the Surf City area, and 24 at Pleasure Island (Carolina and Kure Beaches). In addition to the professions of faith, there were two recommitments and three called into full time Christian Ministry.
- Local workers pulled together at the last minute to help Carolina Beach, First, with their Vacation Bible School. The mission group scheduled to lead the VBS had a tragedy and could not come.

Wilmington is a wonderful place to serve the Lord. It has been a personal blessing to be a part of this ministry over the past year. It is great to see the lives that were touched through the programs of this ministry. I am grateful to each of our churches for their support and look forward to what lies ahead.

Respectfully submitted,

Carlene C. Evans
Minister of Resort/Leisure Activities

## ESOL/LITERACY
## ENGLISH FOR SPEAKERS OF OTHER LANGUAGES

In the past year this ministry served 95 students and their families from 26 countries. Sponsored by WBA and Winter Park Baptist Church, Christians from several denominations are faithfully working together to carry out this witness.

In addition to classes held each Wednesday of the public school year, classes are also taught Wednesday p.m. and Sunday a.m. at Winter Park Baptist Church. Also, many of our tutors are extending this ministry outside the class setting. They give extra time for tutoring, for assisting with activities necessary to daily living (grocery shopping, translating recipes, making doctor's appointments, filling out job application, celebrating birthdays, rejoicing in births, comforting in illness or death, CARING). There were 18 tutors, including 5 trained in September 1988, serving in the program.

Baptist Women from Winter Park Baptist Church faithfully served refreshments every Wednesday a.m.

The Korean Mission and Hispanic Missions continue to thrive along with the actively growing ministry opportunities to the Chinese, Japanese, and East Indians. Calvary Baptist Church now has regular, twice a month, Chinese Fellowship with Bible Study for adults and children led by Mr. and Mrs. Peter Tu along with Mr. & Mrs. Sam Glazier and other Calvary members. The work of all these ministries was evident in the 6th Annual International Dinner with more than 300 in participation. The support of our Associational churches in this ministry is greatly appreciated.

1988-89 school year has begun with 56 students representing 17 countries enrolled in English classes. Mrs. Bonita Phelps from Ogden Baptist Church is serving as director of our preschool ministry with 11 children enrolled.

We need transportation for a student from Carolina Beach and one living on Kerr Ave. Please continue to pray for this needs and the total ministry.

## BASIC LITERACY

Basic Literacy continues to grow. This year 381 students have been taught. Our tutor base also continues to grow. We certified 171 tutors in 11 workshops. Our tutors have reported 21,242 hours of teaching time. Ours seems to be the largest basic literacy program in North Carolina.

Respectfully submitted,

Sally Lennon, Chairperson
ESOL/Literacy

## COUNCIL ON HIGHER EDUCATION

This past year was not as busy as we would like it to have been, yet much has been done to guide others in formal studies and in the equipping of the saints for ministry. Also, thanks to the dedication of Brother Hal Bilbo, Seminary Extension was able along with Church Training, to co-sponsor Master Life parts 1 & 2.

The course "Church Growth" taught by Rev. Bill Smith, took students through the mazes that every minister and church leader needs to understand about how a church can either "die" on the vine, or prosper as God leads. This was one of many courses that can be applied immediately after being taught. Take a look at the new 1988-1989 S.E. catalog and see if there is something for you.

In progress now is the class on sermon preparation and delivery. We are working on another course for the winter quarter. Look for surveys from the Council on Higher Education this church year. We are in need of teachers, men and women, who wish to do more about their knowledge than just talk about it. Please call us with any ideas that you have.

Your servant in Christ Jesus,

Joel Hunt, Chairman
Council on Higher Education

## UNITED CHRISTIAN CAMPUS MINISTRY AT UNC-W

The most significant development of 1987-88 was a transition in the student group with which I have worked. Since 1980 I have been a part of a group called Campus Christian Fellowship which chose to become a part of Intervarsity Christian Fellowship in December 1986. In the spring of 1987, with the help of some local clergy who identified potential interest in student, a steering committee was developed for a new student group which took the name of F.O.C.U.S. (Fellowship of Christian University Students). F.O.C.U.S. became a viable student organization in August of 1987 and has been a strong student group from the very beginning with an active weekly participating of between 30-40 students. F.O.C.U.S. activities center around a weekly meeting for fellowship, teaching, discussion, singing and worship. It also has retreats, participates in state-wide conferences, Bible studies and social activities. I have also organized a Council of Ministries made up of the student leadership of all the student Christian organizations at UNC-W. F.O.C.U.S. has participated with these groups in a hunger week which included a five mile hunger walk on campus and a miss-a-meal project which, combined, raised almost $1000. These groups also participated in our "first exam survival kit" program where parents sent in a small fee and a note of encouragement on the advent of their child's first set of college exams and the students put together a bag of goodies along with the note and delivered them to the freshman in the residence halls. This year, 425 packages were delivered. UCCM also sponsored a Christmas Candlelight Communion Service on the night before the last day of classes in December which involved between 260-300 students at an 11:00 p.m.

service at the Lutheran Church across the street from the campus.

Beyond organized Christian group activities, I worked to get to know and do ministry with students who have not chosen to join a Christian group. I am doing guest lectures in classes. I have spoken in a Human Sexuality class about the moral issue of abortion, in nursing classes and psychology classes about death issues and have also done several programs in the residence halls related to AIDS and the need for responsible sexuality. My wife is the Health and Wellness Coordinator at UNC-W and I, along with several board members participated in "Livwell 88", a day long event with activities in the 6 dimensions of Wellness (physical, occupational, social, environmental, intellectual, spiritual) set up outside the University Union involving over 1,000 students. I work with a member of the student development counciling staff with a group called Kaleidoscope which provides an opportunity for students who have some difficulty connecting with other students to get together for discussion and activities ranging all the way from going sailing to baking cookies. One of the committees of UCCM is the Shalom committee which is concerned about peace issues at UNC-W. In January of 1987, we instigated and developed support for a major one day symposium on campus entitled "National Defense in the 1990's" which involved a look at nonviolence as national policy along with presenting the present administrations perspective. I recently was invited to lead a workshop for Residence Life Staff and also for the new Leadership Center at UNC-W.

Counseling is a continuous significant aspect of ministry with requests coming from F.O.C.U.S. and referrals coming from various faculty as well as from the Student Health and Wellness Center, particularly those students who are dealing with problem pregnancies.

## MUSIC COUNCIL

The 1987 Music Council is pleased to announce that the Wilmington Baptist Association received the "Music Standard Of Excellence" award for that year. It will be presented during the annual meeting on October 17 to the Association by Jimmy Rogers, a member of the Music Council. 1988 is no exception! The 1988 Music Council has competed the requirements in order to receive a second "Music Standard Of Excellence" aware, which will be presented in the 1989 annual meeting. The following projects enabled us to get the second award:

(1) A children's choir clinic was held on January 12 and was led by Regina Gober, a state music specialist in the area of children's choir work. It was held at Southside Baptist Church with 16 Baptist churches, 1 Catholic church, and 1 Methodist church participating for a total of 33 people participating.

(2) The Singing Churchmen/Women gave a concert at Pine Valley Baptist Church on April 21. This concert was sponsored by the music council. A fish fry at Wrightsville Beach Baptist Church fed the group in which churches in the Association donated such items as desserts, beverages, and their time for cooking and serving the fish. It was estimated at least 15 churches in our Association participated with over 400 in attendance in the concert.

(3) A seminar for pastors and their music ministry was held during the May 2nd Minister's Conference at Mt. Holly

Baptist Church. This seminar was led by Dr. Jerry Hayner, Pastor of Forest Hills Baptist Church in Raleigh and Larry Ballard, Minister of Music at Forest Hills Baptist Church. There were 15 participating churches with a total of 24 participants.

(4) Probably the most successful Associational music event I have ever been involved was the "Summer Celebration" held at Temple Baptist Church on August 7. This event was an adult choir festival and congregational hymn sing. A total of 6 choirs participated (5 singing individually) combining for a mass choir of 169. It was estimated that over 400 was in the congregation for this service of praise.

(5) A fellowship was held at First Baptist Church for volunteer, part-time, and full-time ministers of music so that they may be able to share with one another their needs and fellowship with one another. Special guest at this event was Charles Storey, Music Director for the Baptist State Convention and his associate, Jim Reich. These two men shared with the group musical opportunities that is available to the churches in our Association on a state level. The music council shared with the group opportunities that is available for the churches on an Associational level. At the time of this writing, the number of participating churches and total participants were not available.

Much appreciation goes to the 1988 Music Council: Reggie Rushing, Jimmy Rogers, Jeff Lewis, and Rachel Garrett.

Respectfully submitted,

Neal E. Eller, Jr., Director
Associational Music Council

## BIBLE TEACHING IN PUBLIC SCHOOLS

A new year has begun and our teachers, Dawn Mann and Darrin Whitener, have begun their work and ministry of teaching Bible to 10th, 11th and 12th graders at New Hanover, Laney and Hoggard High Schools.

We need the support of your church. We have 37 churches (not all Baptists) supporting our $30,000 budget. Our enrollment has been on a terrific increase since Dawn and Darrin began their work. Last year 150 teenagers were involved in Bible study five days a week. At our final meeting for the 1987-88 school year, we raised the teacher's salaries. Dawn (our part-time teacher at Hoggard) will receive $9000 in salary. Darrin (our full-time teacher at Laney and New Hanover) will receive $18,000 for the school year 1988-89. In order for us to continue providing good Bible teaching with qualified teachers

such as Dawn and Darrin, we need to increase our support by at least 20%.

## DIRECTOR OF MISSIONS REPORT

The year 1987-88 has been a good year for the Wilmington Baptist Association. For the first time in a number of years it is projected that the Association will meet its budget. This has become a reality because many of our churches, have increased their gifts to the Association and your Association leaders and the budget committee did an outstanding job in preparing a budget with programs to fit the anticipated income. With the rapid growth of the Wilmington and Coastal area more and more attention must be given to providing the resources for establishing new work.

We have witnessed some exciting happenings during the year. Church Training and its importance has become more and more visible under the leadership of Hal Bilbo. Your Association sponsored three MasterLife courses: A day time and night course in Wilmington and a night course in the Burgaw area. Those who enrolled and finished the study have repeatedly expressed their appreciation for making the course available. The 1988-89 year has many worthwhile training events scheduled.

In January, the Association was well represented as we had our Spiritual Preparation Retreat for leaders at Pine Valley Baptist Church. Vic Cole from our Baptist State Convention really challenged the laity to become more and more involved in the Year of the Laity.

Wilmington Baptist Association voted at our Annual Meeting last year to join with other Associations from across the state in the North Carolina/Sao Paulo Brazil partnership. It was my privilege in March to go to Sao Paulo and view first hand the opportunities which we have to share with the Atlantic Seaboard Association (Litoral Paulista) on the coast of Sao Paulo in the Santos area. This Association covering thirteen counties has a fixed population of 1,300,000 people but in the summer months (Dec.-Jan.) swells to about four times this number. There is a real need for harvestors to go and share the gospel in a land where more than 60% of the population is young people. Many from the Wilmington Baptist Association will be going to build churches and become involved in evangelism during our five year partnership. I challenge every church to participate. Provide the funds to send your pastor and others to an area that is truly ready for the harvest.

As reflected in the Church-Community and the Resort/Leisure Reports, the summer was one of the best ever. We had a group of dedicated and committed summer missionaries who took their assignments seriously. I commend Marsha and Carlene for their thorough orientation of those coming to serve and their excellent supervision along with the pastors with whom the missionaries worked. We had a record number of professions of faith.

The month of August was filled with excitement as we prepared for our Lay Evangelism School. Richard Everett, Director of Personal Evangelism for our Baptist State Convention led the school for five nights. We enrolled 99 persons and approximately 80 completed the training. Richard shared with us that this was one of the largest and most exciting schools that he had ever conducted. We had 10 professions of faith during the school and I have received reports of additional professions of faith in the weeks since the school as our churches have continued the follow-up requirements for the school.

Our Association will be the location of a National CWT (Continuing Witness Training) Seminar April 24-27, 1989, at Calvary Baptist Church. If we are to win the lost to Christ, evangelism must continue to be a major emphasis in our

missions work.

Thank you Wilmington Baptist Association for affording me the opportunity to serve as your Director of Missions. I challenge you to undergird your new Director of Missions with love, support and encouragement. I have great admiration for this Association and what it is about in:

Reaching People
Developing Believers
Strengthening Missions
Establishing New Work
Spiritual Growth

ARTICLE 2. PURPOSE. The purpose of this association shall be to provide an organization through which the churches of the association may work for mutual encouragement and information. Each church shall be encoraged to follow the Southern Baptist program of organization and stewardship enlistment, and to provide a working unit through which the missionary commission of our Lord may be carried out. This association subscribes to the Baptist Faith and Message adopted by the Southern Baptist Convention of May 9, 1963.

ARTICLE 3. MEMBERSHIP. ARTICLE 4. AFFILIATED CHURCHES. Missionary Baptist Churches which have petitioned to send messengers, and which by vote of the association are accepted as cooperating in the purposes and activities of this body, shall be recognized as affiliated churches. Recognition may be extended or withdrawn by a two-thirds vote. Written petitions for affiliation with the association, on recommendation from the Missions and Church Extension Committee, shall be considered by the General Board at least one month prior to the annual meeting of the association, and those churches on which the General Board looks with favor shall be presented to the association for a watchcare relationship of one year, at the end of which they may be presented for affiliation. Failure to report annually to the association shall raise the question of fellowship.

ARTICLE 5. GENERAL OFFICERS. The general officers of the association shall be as follows: Moderator, Vice-Moderator, Director of Missions, Clerk, Treasurer, Historian, three Trustees, Sunday School Director, Church Training Director, WMU Director, Brotherhood Director, Music Director, Library Director, Chairman of Evangelism, Public Relations Director, Stewardship Committee Chairman, Chairman of Association Properties Committee, Chairman of Personnel Committee, and the current members of the association serving on the General Board of the Baptist State Convention of North Carolina.

A. MODERATOR. The Moderator shall encourage observance of the Constitution, preside at all meetings of the association, the General Board, and the Executive Committee. He shall appoint the Nominating Committee, all special committees, and fill vacancies occurring on committees between sessions.

B. VICE-MODERATOR. The Vice-Moderator shall serve in the absence of the Moderator and in the event of a vacancy in the office of Moderator, the Vice-Moderator shall fill the unexpired term. In the event of a vacancy in the office of Vice-Moderator the General Board may elect a person to fill the vacancy.

We are very pleased that the Wilmington Baptist Association led all other North Carolina associations in receiving WMU Leadership Awards for study completed during the past church year. There were 96 awards received.

Also, WMU of the Wilmington Baptist Association has received the Distinguished Award for the 21st consecutive year. This is the highest award of excellence.

The Baptist Young Women had a "Spuds and Stuff" dinner on January 18 with a very good attendance.

I briefly spoke on how WMU can participate in the Year of The Laity on January 23 at Pine Valley Church. The occasion was the Associational Year of The Laity Spiritual Preparation Retreat.

On February 13 Acteens enjoyed the associational "Beautiful You" event. The program centered on how to become beautiful outwardly and inwardly.

Southside WMU invited me to speak at their Sweetheart Dinner on February 13. And on Sunday, February 14, I spoke in the morning worship time at Burgaw Baptist Church. They had planned a beautiful WMU Focus Week program.

March 7 was the date of the Week of Prayer for Home Missions Rally at Freedom Baptist Church. On March 9 the Home Missions Buffet Breakfast was held at Days Inn downtown. Home Mission Board Literacy Missions Worker, Mary Allred was the dynamic speaker for these two events.

Looking ahead, on March 17, there will be a Mission Friends "Learn-a-rama" at Southside Baptist Church at 6:30 P.M.

Many from our association will be attending the N.C. WMU Annual Session at Greensboro on March 18 and 19. Also a large group of our people will be present at the missionary appointment service in Greensboro on April 12.

On April 18 the BYW's will have a "Sundae Nite Delight".

Sara Ann Hobbs, Director of the Division of Missions of the State Baptist Convention, will be the guest speaker. Churches have been asked to bring items of interest, pertaining to the past of WMU, to display at the meeting. Also, some will be displaying Centennial quilts and other items of interest. We are urging every pastor to attend, and of course, all WMU people. A party will follow the program. We are requesting that the association give us $130 to help with the expenses of the Celebration.

Also, new WMU manuals are mandatory and will be available in April, 1988. We will need 24 @ approx. $3.95 = $94.80. We are requesting that the association pay this amount.

We have a group of Acteen Activators from the Winter Park Baptist Church (one activator is from Riley's Creek) going to New Orleans this summer to help in the inner-city ministry there. They would be delighted to be able to distribute New Testaments to the children and maybe some adults. The cost of ABS New Testaments is approx. $.60. A total of $120.00.

The Associational WMU Leadership Committee has met for 6 consecutive weeks and is pleased that every office has been filled.

A motion was made by David Stewart and seconded by W. W. Lennon with an affirmative vote granting $225.00 to the WMU for materials.

## EXECUTIVE COMMITTEE MINUTES

The Executive Committee of the Wilmington Baptist Association met Tuesday, April 12, 1988 at the Associational Building at 7:30 P.M.

David Stewart, Moderator, called the meeting to order. Prayer was given by Marsha Cook.

REPORTS:

Marsha Cook - Church and Community Ministries

WMU groups from this association donated over 2000 brownies which were sold during the Azalea Festival Parade for a profit of $800 to help support the Women's Halfway House.

Three of the five summer workers have been secured. If there is a college student in local churches interested in church related summer work be sure to contact Marsha.

Carlene Evans - Resort/Leisure/BSU Minister

In Carlene's absence due to the summer band tryouts, Marsha presented the BSU and Resort Ministries report.

1. March BSU Spring Conference, Camp Caraway- March 25-26, was very informative. One local BSU student is now also serving on a state BSU Evangelism Committee.

2. Plans are being made for Freshman Orientation for June.

3. We are in the process of making a BSU Directory of Churches to hand out to new students. The contribution is $100.00. The lay out is up to the individual church and is to be sent to Hampstead Baptist Church. Each church will be given one page to use. All funds are to be sent to the Wilmington Baptist Association and marked for Baptist Student Union Committee. Please contact Rev. Hunt or any other member of the BSU committee concerning this project.

Recently I sent a letter to all Ministers of Music and Youth encouraging them to plan a Family Evening Program for one or two nights this summer in the Camelot Campground. For the churches near Pender County we have two campgrounds and then at Carolina Beach we have the KOA. This Family Evening Program may be anything from children or adults choirs to puppets and skits. The program should be no more than 15 or 20 minutes long. Please contact me soon so that I may schedule you to help in resort ministry at least one night this summer.

The Marina Ministry has already begun and has been well received! We are still in need of volunteers to help distribute these hospitality bags to transient boaters at Wrightsville Beach. We can have as many as eight people at one time ride the pontoon boat, so you can bring your family as well! This ministry has been set up in such a way that it will require only two hours of your time each month (two days at one hour each). It is enjoyable to ride in the boat at Wrightsville Beach at sunset and to be able to help people at the same time. It is also a good witnessing opportunity. When I went with five others the day before Easter, we were able to invite the boaters to the Easter sunrise service. Also in these hospitality bags is the Seafarer's Chart (the New Testament) among other helpful material.

We have several people already trained to maneuver the boat, but we still need more volunteers to ride with us and hand out these hospitality bags. Please announce this ministry possibility to your church family and tell anyone interested to call the Wilmington Baptist Association.

Jim Kelly - Properties Committee - Chairperson

Mr. Kelly asked to be informed of any needs. Marsha's office light has been repaired and the yard needs to be treated for fire ants.

Steve Underwood - Youth Council - Chairperson

Steve gave a good report on the "Jeremiah People" program with an attendance of 500 to 600 persons and the expenses were below budget.

The Associational Youth Council has 10 churches represented with an average attendance of 15 to 20 persons. May 21 and 28 will be work days for the Youth Council to repair a home. July 9 will be a fun activity at Hugh MacRae Park. For $2.00, youth can enjoy a cook out and wacky olympics. Plans are being made for a September Crusade. More information and details to be given later. Also, in September a year end retreat for just the Youth Council members will be held.

W. W. Lennon - Trustee/International Seaman's Center

As Trustee, Mr. Lennon redeemed matured bonds for the Association.

The Seaman's Center has an additional building to house the 15 or 20 bikes which the visiting seamen use.

Gene Floyd shared an answer to prayer in the life of Beverly Johnson. We praise God for being the Great Physician.

Ed Stines - Director of Missions

Mr. Stines announced that we have the following on the sick list, Bill Oaks, Katie Hunt, Mary Allred.

Topsail Baptist Church has constituted into a church and will be asking to be associated with the WBA.

We have a good financial report and appreciation is expressed to each participating church.

A WBA Brochure is being printed to inform everyone just what is being accomplished through their Association.

A slide presentation from Sao Paulo closed our meeting. The spiritual needs are great and we were inspired to pack our bags.

    - Five year partnership mission plan is an exciting project. Needs are great and varied. Pray about our involvement.
    - Already there is a 12% budget cut for mission work there due to a drop in our mission gifts as a result of convention turmoil. Our eyes have been taken off missions and evangelism.
    - Using Matthew 9:35-38, Guy's subject was "The Crying Harvest".
    - Christ is moved to compassion a lost world in pain, those that are sick, sightless and suffering. The Baptist Church distributed food and clothing to an area after a flood in February 1988. Before the flood no one knew of the Baptist Church. The compassion was felt.

*The 1989 Minutes are dedicated to Rev. L. D. Smith. Rev. L. D. Smith, Pastor of New Hope Baptist Church and a native son of the Associational area went to live with the Lord in April of this (1989) church year. His fine wife is Christine Mercer Smith. The Smith's have three sons and a daughter. Rev. Smith was a 1971 graduate of Fruitland Bible Institute. In addition to New Hope, he also pastored Bear Branch and Penderlea in the Wilmington Baptist Association and two other churches in neighboring associations. WOMAN'S MISSIONARY UNION

"You have heard; look at all this. And you, will you not declare it? I proclaim to you new things from this time, even hidden things which you have not known" (Isa. 48:6 NASB) was the Watchword for 1988-89 as WMU moved into its second century. The question was asked, "What do we do at the end of 100 years?" Comtemporary WMU leaders were challenged to move into Century 2 "inspired by those who have gone before...writing the second century's history as we go." A FUTURE TO FULFILL/LAUNCHING CENTURY 2, the WMU Emphasis for the year urged WMU leaders and members to major on strenghtening missions in the church and denomination by fulfilling the tasks of WMU.

Highlights of the year for WBA WMU

* In September, Training workshops for church WMU leadership were led by the WBA WMU Council at Calvary Baptist Church and at Murray Memorial Baptist Church. 203 church leaders were trained.

* On November 12, a Lifestyle Evangelism (PW) Conference was held at Winter Park Baptist Church with activities for all age-levels. Adults were led by Nona Kay Bickerstaff, Christian Social Ministries State Director, New York, NY.

* The Annual Rally, "WMU for a New Day", was held at Wrightsboro Baptist Church with Linda Sanders, WMU Director, presiding. Dixie Wilkins gave the welcome. Special guest speaker was Marjorie McCullough, President, SBC Woman's Missionary Union. Our new Director of Missions, Ed Bullock, issued a challenge to the incoming WMU Council (see listed in minutes). Prayer Calendar was presented by Dee Richards, special music by Peggy Croom. A prayer of commitment was made by Sally MacCallum.

  A "Pastor Appreciation Dinner", for pastors/wives and WMU Directors, preceeded the Annual Rally. Marjorie McCullough was the key speaker.

A BW's meeting was held at Southside Baptist Church on Feb. 20. Maxine Bumgardner, WMU Executive Director of West Virginia, spoke on "Volunteering - What has been done and what needs to be done." Sarah Taylor, Southside Baptist Church and Cheryl Jacobs, Murray Memorial Baptist Church, gave testimonies on how volunteer work has blessed their lives. Jerrie Davis, Murray Memorial Baptist Church, provided the special music.

In December, Wanda Collier resigned from the position of the WBA BW Director in order to become the new WMU Executive Director for the state of Montana.

The WBA WMU promoted and participated in "Christmas Gifts for Women at NC State Prison", a project sponsored by NC State WMU.

The WBA WMU has again (22nd consecutive year) been awarded the highest level, Distinguished, acheivement for its work in carrying out the objective of WMU. Four churches were awarded "Distinguished" and 4 were awarded "Standard".

The WBA Woman's Missionary Union exists to assist churches in the Wilmington Baptist Association to do WMU work and sometimes to work together in joint missions ventures. IN HIS NAME...REACH, TEACH, TOUGH, BASED ON Matthew 25:40, is the WMU Emphasis for 1989-90. Goals have been set to cooperate in the priorities set in the WBA program in evangelism (Here's Hope Simultaneous Revivals), youth emphasis (Acteens 0 this is your year!), family missions programs, mission education, discipleship, and personal development.

Respectfully submitted,

Lucy Ivey, WMU Director

## ORDINATION ADVISORY COUNCIL

The Ordinatior Advisory Council was called upon twice this year to examine someone to the Gospel Ministry. They were:

The Baptist Men from our Association assisted with the construction of Topsail Baptist Church on Highway 17 North, during the month of December, 1988 and January 1989.

Larry Botts coordinated and took part in several Lay Led Revivals in the state of Ohio. He also assisted with a Lay Led Revival in Smithfield, NC.

Lay Renewal is one of the ministries our Associational Baptist Men were active in last year. Many churches in the Wilmington Association have experienced church renewal. This emphasis on the Christian lifestyle is what the world needs to see.

One church in the Association had renewal last year. Many of our lay people have had the opportunity to share their faith and love of Jesus around the state as team members.

## PROPERTIES COMMITTEE

The main objective of the Properties Committee for the calendar year of 1989 was to accomplish the sealing of the parking lot at the Associational Office. This operation was finished in the spring.

Lawn and tree care is under the supervision of this committee and was taken care of; shrubbery trimming, tree limbs trimmed away from the roof.

The office building gutters were cleaned.

Although it was determined that modiciations affecting visibility needs to bemade to the Association's outdoor sign, these have been delayed because the $300 estimated for these changes were needed more in other areas at the present time.

Respectfully submitted,
Jim Kelly, Chairman

Much of the Evangelism Committee work for the 1989 year has been in preparation for the 1990 Simultaneous Revivals. We hope to have a 100% participated in our association.

The budgeted monies for the Evangelism Committee was used for $200 scholarships given to individuals in our association who participated in personal evangelism endeavors in the Brazil Partnership for this year. We were glad to honor eight individuals with these scholarships. We praise the Lord for many decisions that were made in these Brazilian partnership mission trips for 1989.

Norman Hunt, Chairman

## SEMINARY EXTENSION

Seminary Extension had the fall class in Homoletics taught by Rev. Horace Hall.

With a Director of Missions who wishes to back the formal educational with solide and proven Southern Baptist teachings, Seminary Extension will offer a Winter and Spring schedule this year.

Laity and staff are looking for a formal study that is recognized throughout the convention. Perhaps the day of Johnny come lately schools will quit appearing and tapping off students from the area.

Give Sonny Reeves your support and your prayers as 1989-90 is planning to be a great year in academics. See you in school!

In Christ, Jesus

Joel Hunt, Director

## MISSIONARY FURLOUGH HOUSE COMMITTEE

This has been a busy year for our furlough house. From January through March 1989, Ray and Joyce Rogers were occupants. When they vcated the home, they went to their new field of service in Auckland, New Zealand.

Some months later the Tome and Susan Canady family were in the house for a month while they enrolled their son in Gardner-Webb College.

The last half of the year, Bob and Betty Jo Hensley (Panama) are living in the home.

During this year a couch, chair and table were purchased for the den area along with two rattan chests and headboard for the guest room.

Pictures were brough for the livingroom, bedroom and a donated picture hangs in the den.

On the front porch, a new black deacon's bench, milk can, and basket of pine cones with a grapevine door wreath are displayed.

A new storm door for the front entrance was donated.

Other donated items were two pink dogwoods, three white dogwoods and a red maple tree.

The house is booked for occupancy until 1994 and each year there are several missionary couples on stand-by in case of scheduling changes.

Norma H. Lewis, Chairperson

## MUSIC COUNCIL

For the third consecutive year, the Music Council has earned the Standard of Excellence Award for Associational Music from the Sunday School Board. The following projects helped earn this award.

A Children's Choir Workers Appreciation Banquet was held on January 14, 1989, at Winter Park Baptist Church. This project was planned to give the Children's Choir Workers in our Association a boost for the new year. Mr. Ron Jackson, a music consultant from the Sunday School Board, was the featured speaker. There were 21 participants with 6 churches represented.

An Inter-denominational Handbell Festival was held on Saturday, May 13, 1989, at the First Baptist Church Activities Building. Mr. Howard Starks from Florence, S.C., was the guest clinician/director. The following six churches were represented: Wilmington First Baptist, Temple Baptist, Pine Valley Baptist, Sunset Park Baptist, Masonboro Baptist, and Grace United Methodist Church, for a total of 55 ringers. There were 42 visitors present for a 2:30 pm concert.

The Annual Key Leadership Conference was held on July 18, 1989, at Calvary Baptist Church. There were 11 people present representing 11 churches for the music portion of this conference.

## BAPTIST STUDENT UNION

The purpose of the Baptist Student Union at UNC-Wilmington is to provide spiritual and personal growth for college students as well as provide opportunities for service to others.

## BIBLE TEACHING IN PUBLIC SCHOOLS

Each year we have had a 30-student increase from the previous year. We feel this is due to our outstanding teachers and God's blessing. The 1989-90 school year we have 200 students enrolled. This semester we will have 3 classes at New Hanover, 2 classes at Laney, and 3 classes at Hoggard.

Dawn Mann is the Bible teacher at Hoggard High School. Dawn has been working with Hoggard for one and a half years and thoroughly enjoys her work.

Darrin P. Whitener is the Bible teacher at Laney and New Hanover High Schools. Darrin accepted the full-time Bible teach in Wilmington in 1987. Darrin says he enjoys teachings at the two high shcools and getting to know the students. Darrin also feels that the teaching position is more than just a job, it is a ministry for Christ. That is the main reason that his is teaching, to try to bring students into a closer relationship with God.

These courses are made available under the auspices of the New Hanover County Bible Committee who has complete financial responsibility for the program. Funds are derived from churches and individuals. The WBA also provides financial support. All courses are elective courses designed to help students in their understanding and appreciation of the Hebrew and Christian religions through a survey study of the Bible. The Bible is used as the textbook.

Please be in prayer for the ministry and for Dawn and Darrin as they try to reach the students through courses in our public schools.

Respectfully submitted,

Don Vigus, Chairman

## CHURCH TRAINING

Church Training is taking a new name, Discipleship Training. The new name reflects a change within the program to emphasis making disciples. It is not just Sunday night anymore.

The Associational Church Training team has grown with the addition of Dr. David Moore as the New Members Training Leader, Dr. Eddie Davis as the Adult Section Leader and Rev. Bill Batten as Youth Section Leader. Your Association C.T. Director has worked with seven local churches to assist or start Church Training. This year should bring us to the edge of 50% of the churches to report C.T. I anticipate continued growth in C.T. this year.

Special projects this past year assisted many churches. The Lay Institute For Equipping (LIFE) Conference and the New Member Training Conferences were excellent but many other churches could have benefited by attending. The INGATHERING: Reclaiming Inactive Church Members and Occult Conferences were well attended.

The Associational C.T. team is available to serve your churches. Call on us and help us to help you.

Respectfully submitted,

Hal Bilbo, Director

## YOUTH COUNCIL

The 1988-89 Associational Youth Council started in a rather slow fashion. There were leadership changes that effected planning and other possible agendas. In April there was a meeting with the new Associational Director of Missions and the Associational Youth Council. The Youth Council was told that Youth Ministry would be a primary objective for the Association during the next three years.

Vance Midgett agreed to begin coordinating the Youth Council planning. Vance represented the Associational in the Key Leadership Conference at Ridgecrest in May. Some good constructive plans have been made by the Council. One plan is to begin an Adopt a Youth Minister Program. This means that several of our experienced Youth Ministers would agree to help a very loving WBA church with their Youth Ministries.

From ten churches, three hundred plus young people attended a WBA Youth Retreat at the N.C. Baptist Assembly in Fort Caswell on October 7-8, 1989. Program leaders included Youth Evangelist Michael Holt and Contemporary Music Evangelist Billy Lord. The BSU Students from Campbell University also helped conduct activities. It was a very successful retreat.

Plans are underway for an Associational Youth Lock-In to be held at the Wilmington YMCA in February 1990. Vance Midgett has agreed to coordinate planning for 1989-90. Our goal is to help our churches in their mission of providing growth experience for their youth.

Respectfully submitted,

Judy Norris
WBA Staff/Youth Council Member

## MISSIONS DEVELOPMENT COUNCIL

Missions Development is now a program of the Wilmington Baptist Association. In the organizational chart we stand along side of Sunday School, Church Training, Music, WMU and Baptist Men.

Our tasks are to (1) call churches to be on mission; (2) provide resources and services to churches and leaders; (3) train, develop and encourage church and associational workers; (4) provide opportunities for working together in missions, ministry, growth and evangelism; (5) establish and maintain appropriate communications and relationships with the community and the denomination.

The transition from committees to councils has been made with remarkable smoothness and we are now ready to lead each church to adopt the Missions Council Program as their way of doing missions.

The program provides (1) coordiantion in doing missions; (2) communications about missions; (3) a means of improving relationships; (4) a more efficient use of resources.

It provides for a tailor-made organization to fit the mission action of each church. Please do not think that it must parallel the associational organization. You can begin with one person, a Missions Council Director, Your associational leaders stand ready to help.

Respectfully submitted,
Paul Nix, Director

## LANGUAGE MISSIONS COMPONENT

### INTERNATIONAL NIGHT OF FRIENDSHIP

The seventh annual International Night of Friendship was held on Sept. 9, from six to nine o'clock at the First Baptist Church Activities Building. There were approximately 350 people present. This included 168 internationals from 21 countries.

Some of the special guest included the Honorable Don Betz, Mayor of Wilmington; Dr. Tom McNeel, Superintendent of New Hanover County Public Schools; Rev. and Mrs. Burke Holland, Director of the Department of Chaplaincy and Language Ministries of the Baptist State Convention; Miss Virginia Highfill, retired missionary to Japan now working with language groups in North Carolina; and Mrs. Christine Gregory, former First Vice-President of the Southern Baptist Convention and former President of Woman's Missionary Union auxiliary to the Southern Baptist Convention, with her husband, Mr. A. Harrison Gregory.

Food from many nations and entertainment provided by five national groups helped make this a most enjoyable evening. This occasion could not have been made possible without the help of sponsoring churches, pastors, staff members and many dedicated lay people--to whom deep gratitude is expressed.

### CHINESE FELLOWSHIP

Calvary Baptist Church sponsors a Chinese Fellowship, which meets every first and fourth Saturday night at the church. It begins at 6:30 pm with a pot luck supper. The church also has a daytime Bible Study for the Chinese ladies, which meets twice a month.

On August 27, Calvary presented a plaque to Peter and Linda Tu, Chairpersons of the Chinese Fellowship. They are leaving for Switzerland in order that he may attend school.

### ASIAN INDIAN FELLOWSHIP

The Asian Indian Fellowship is sponsored by First Baptist Church. They were well represented at the International Banquet and expressed interest in beginning a Bible Study.

### JAPANESE FELLOWSHIP

The Japanese Fellowship has been sponsored for five years by the Winter Park Baptist Church. A Bible Study meets each month in the homes of Baptist women in the church. Special events this year have included a reception and a church-wide picnic. For several years there have been about 30-40 Japanese people in this group, mostly family units. This year the number was greatly increased by a group of more than 50 men who were here without their families, on short-term assignments with a local industry, and almost all of them attended a Sunday afternoon reception at the church.

In July, Pastor/Evangelist Reiji Hoshizaki and his wife Asano Misaki Hoshizaki led an inspiring worship service on a Sunday evening at the church. Miss Virginia Highfill, retired missionary to Japan, works closely with the Missions Committee of the church in planning activities and services.

Respectfully submitted,

Mary Margaret Brooks, Director
Language Missions Council

## KOREAN MISSION

The Korean Mission at Ogden Baptist Church is thriving in its sixth year. Mr. Sang Chun was called as its fourth Pastor during the year and Brotherh Chun has led the congregation of about fifty to become very active in outreach; and, the fruits of their labors are becoming evident.

The Korean Missions meets weekly for a Saturday evening fellowship and Bible Study and on Sunday mornings for Sunday School and a Worship service.

The Korean Mission continues to be a wonderful blessing for Ogden Baptist Church and the support of the Wilmington Baptist Association and the Baptist State Convention of NC is deeply appreciated.

Respectfully submitted,

Joe Peterson, Pastor
Ogden Baptist Church

## HISPANIC MISSIONS

We would like to thank each of you for your support this year. This year has been a good year. Lots of things have happened. Since the new immigration laws have been passed, lots of people have applied for their green card and are working in jobs in Wilmington, Burgaw, Rocky Point, and other areas. We have encouraged them to learn English and find better jobs. We presently have an English Class going on Sunday and we have had Bible Studies in homes and the migrant camp in Currie. We also have a clothes closet and food closet. These have been a real ministry to the Hispanic people. We also have Thanksgiving Dinner for them and at Christmas all our people get presents. This means a lot as we show love to them because their families are far away and we try to make them par of God's family. Lots of different churches have helped us to do this. We also have a Ladies Bible Study Group going once a month using the Royal Service materials. In the Winter time we alwasy have blankets for the people. We get these from different places. So if you need a project, call us on this. One of our goals is to one day establish a church in this area and we know God is going to answer our prayer. Our ministry is a different ministry than pastoring a church and we need your prayers. May God bless each of you and give you a sould winning year.

Respectfully submitted,

Rev. Agustin and Peggy Lara
Lake Forest and Long Creek Hispanic

## ESOL

### ENGLISH FOR SPEAKERS OF OTHER LANGUAGES

In the past year this ministry served 96 students and their families from 22 countries. Sponsored by WBA and Winter Park Baptist Church. Christians from several denominations are faithfully working together to carry out this witness.

In addition to classes held each Wednesday of the public school year, classes are also taught Wednesday p.m. and Sunday a.m. at Winter Park Baptist Church. Classes are taught Sunday a.m. at Ogden, Calvary and Lake Forest. Also, many of our tutors are extending this ministry outside the class setting. They give extra time for tutoring, for assisting with activities necessary to daily living (grocery shopping, translating recipes, making doctor's appointments, filling out job applications, celebrating birthdays, rejoicing in births, comforting in illness or death, CARING). There were 18 tutors, including 10 Baptists serving in the program.

Baptist Women from Winter Park Baptist Church faithfully served refreshments every Wednesday a.m.

The 1989-90 school year has begun with 38 students representing 11 countries enrolled in English classes. Please continue to pray for the total ministry.

Respectfully submitted,

Sally Lennon, Director
ESOL

## INTERNATIONAL SEAMEN'S SERVICE, INC.

Rev. Vernon L. Fash, who served as Chaplain for several years, retired as of April 30, 1989, and Rev. James Leslie Ransom began his duties as Chaplain of the International Seamen's Center on May 1, 1989. Rev. Ransom is available for speaking engagements. Call 762-3792.

The transition went smoothly under the direction of the Holy Spirit, the close cooperation of the Search Committee, and the support of the full Seamen's Council.

More than 8000 seamen who came to the North Carolina State Port and even to some outlying areas were ministered to by some 125 volunteers and by the use of a stationwagon that we have.

Needs continue for your prayer support, your time and energy as a volunteer who will need to be trained, and your funds - especially to buy Bibles and gifts that are to be distributed to the port. In December 1988, 1,250 gifts were distributed and each gift carried with it a tract of evangelistic importance.

During 1989, I was asked to serve as a State Mission Representative for Seamen's Ministry in a World Mission Conference held in the Sandy Creek Association. It was a rewarding experience. Thank you for allowing me to serve as a volunteer for the Seamen's Ministry.

Respectfully submitted,

Woodrow W. Lennon, Director
International Seamen's Center Council

## RESORT/LEISURE MISSIONS COMPONENT

"Resort and Leisure Ministries are an attempt to witness and to minister in Jesus' name within the special dynamics of a leisure seeting." Although, one on one evangelism is preferred in a resort setting, there are other effective means of sharing Jesus Christ:

- Contemporary Christian music carries a beat that appeals to the secular world. It gives the words a chance to take root in the listner's minds and hearts.
- Puppets and mimes attract people of all ages and speak in a way that few people can speak.
- Clowns help people laugh and stir their curiosity.
- Christian dramas can offer the Good News of Christ to hundreds at once.

The primary purpose of resort missions is to minister to non-Christians, not to entertain Christians on vacation. This past summer, the Wilmington Baptist Association utilized Christian music, puppets, clowns, and drama through four summer missionaries and 15 mission youth groups, including volunteers from some of our churches in the association.

A summary of our Resort Ministry is as follows:

Fall and Winter Activities:

- Marina Ministry continued through November
- Coorespondence with 15 mission youth group leaders
- Spoke on resort missions in several association churches
- Interviews with prospective summer missionaries at Camp Caraway in February
- Provided a program of clown ministry for the associational senior adults rally in November
- Resort Ministry emphasis night at the associational Baptist Men's meeting in January
- Spoke to G.A. groups on local resort missions
- Associational clowning at senior adult valentine banquet in February
- Cooperative agreements written for Baptist State Convention

Spring Activities:

- Campground ministry was started for the season on Easter weekend at Rogers Bay Campground
- Led the Annual Home Mission Board Study at Surf City Baptist Church
- Spoke on resort missions at Baptist Men's breakfast in several associational churches
- Marina Ministry began for the season on April 4
- Represented resort missions by leading 2 conferences at the State Acteens Celebration and Leaders Training Retreat
- Little Red Caboose was entered in the Azalea Parade, and riding the caboose were members of the Brazil Partnership Team
- Resort Missions was emphasis for programs with WMU, Youth, RA's and GA's
- Pre-project orientation sessions were carried out for mission youth group leaders
- Expanded associational resort clowning ministry to senior adults at Fort Caswell
- An associational resort conference was led by Vance Midgett, Steve Freeman, Don Horn and Carlene Evans on May 13
- Participated in Key Leadership Conference at Ridgecrest
- Rev. Don Horn participated in several World Mission Conferences for Resort Missions

Summer Activities:

- Led several conferences ar the State Summer Student Orientation at Meredith College in Raleigh, NC
- Four summer missionaries worked on our beaches and in our campgrounds
- First Baptist, Kure Beach; First Baptist, Carolina Beach; and Surf City Baptist Church continued their summer long resort ministry programs at the beaches, campgrounds, and Jubilee Park
- Fourth Annual "Fun In The Son" Festival at Surf City
- 15 mission youth groups from other states and associations served in our resort areas throughout the summer
- 18 known professions of faith were made during the various ministry programs
- Participated in the First Annual State Youth Evangelism "Super Summer" at Carowinds where 21,000 people were present by setting up a resort missions display
- Clowning Ministry utilized at the Topsail Festival Sept. 1989
- Marina Ministry continued strong through the summer with 8 associational churches participating on a regular basis

The Wilmington Association Resort Ministry depends on volunteers to carry out all of the many programs. I appreciate each of our churches for its support and consider it a privilege to be serving in this association.

Resepctfully submitted,
Carlene C. Evans

## CHRISTIAN SOCIAL MINISTRIES COMPONENT

The Christian Social Ministry Council has as its objective expressing Christian love by witnessing to people of special need.

It is our intention to:

1. Become knowledgeable on areas of special need in our association.
2. Make plans for and carry out plans in established needs area.
3. Evaluate and communicate progress to full council of the Wilmington Baptist Association.

We continue to minister in areas of previously established needs, such as: The Children's Clothes Closet, the Bloodmobile, Inner City Ministry, Family Assistance, Senior Adult Ministry, Week Day/Summer Workers, the Cape Fear Gospel Rescue Mission, Literacy, the Physically Challenged, Day Care and After-school Ministries.

During this time of transition and as a Director of Christian Social Ministries is sought, we covet your prayers as we seek our Lord's leadership in all we do.

Respectfully submitted,

Ralph Holt, Director

## BLOODMOBILE

A good year! Because of a good response from many of our churches:

1. Pine Valley, Surf City, and Burgaw had a total of 187 presented
2. 176 units collected
3. Murray Memorial and Pine Valley were our top churches, again!
4. Over 50 volunteers served at the Pine Valley Center. Many churches provided snacks and drinks.

Respectfully submitted,

Laura Spivey, Director

## CAPE FEAR GOSPEL RESCUE MISSION

The Cape Fear Gospel Rescue Mission is one of the few places left where men who are homeless, helpless, and hungry can go to find refuge, both physical and spiritual.

The Mission was established in 1974, and remains a non-denominational ministry supported by the community with private donations and Thrift Store located at Fifth and Castle Streets.

Rev. Tony Sellars is the Executive Director, and Larry Cavenaugh is the Chaplain. The Mission has a total of nine employees. The governing body is a Board of Directors consisting of thirteen members.

The house is located at 411 N. 4th Street. It will accomodate 23 men. It has a chapel, offices, kitchen and dining space. A 60 day program is offered to the men with additional help toward continuing education at Cape Fear Community College.

Last year, 6,556 beds were occupied, 19,387 meals were served, and 164 professions of faith were made. Many other lives were given directions and re-established in their community.

We, as individuals, churches, and as an Association, can and are being involved in this most needed ministry.

Respectfully submitted,
Ray Tester, Director

Last year, over 400 students were served by the Cape Fear Literacy Council and 171 tutors were trained and certified. Volunteers donated 32,790 hours, 13,992 of which were actual tutoring hours.

Of those students served, 73% were from New Hanover County, 13% were from Pender County, and 11% were from Brunswick County.

"Read To Me, Mama", a family literacy project, was started in February. Through this program, illiterate or semi-literate parents of children up to age 7 are recruited. Parents receive one-on-one individual tutoring while the children are read to. The objective of this project are: 1) to increase reading activity in the home, and 2) to develop basic reading skills for the parent. In the first six months of this program, 15 parents of 23 children have enrolled. This group meets weekly at Lake Forest Baptist Church.

The Cape Fear Literacy Council continues to be one of the most progressive literacy councils in the state. This year, the council was selected as the outstanding volunteer agency in New Hanover County and received the Governor's Award. The Wilmington Baptist Association has been a great part of this effort.

Respectfully submitted,

Billie Granger, Director

## CHURCH ENTENSION COMPONENT

Since the beginning of the calendar year 1989 there have been three (3) groups of people visit the association who have splintered or fragmented from three different WBA established churches. These groups have expressed the desire to join the WBA in a mission status, and have stated that a reconciliation with the Mother Church is not possible. Efforts to assist toward reconciliation with the Mother Church has not been successful.

First was the group who chose the name Victory, who came out of Rocky Point Baptist Church, currently under sponsorship of Murray Memorial Baptist Church.

Second was the group who chose the name Marketplace, who came out of Sunset Park Baptist Church, presently under the sponsorship of Murray Memorial Baptist Church.

Third was the group who chose the name Agape, who came out of the Myrtle Grove Baptist Church, who were to come under the sponsorship of Long Leaf Baptist Church. However, at the suggestion of the WBA Church Extension Council, a dialogue was started between the Agape group and Battle Park Baptist Church's Steering Committee discussing the possibilities of merging the two bodies. After several meetings and separate votes by the two bodies, one on Sept. 7, 1989, and the other vote on Sept. 24, 1989, by the Battle Park congregation, the decision to merge was made. In addition, a memorandum of agreement was signed by the two groups on Sept. 26, 1989, witnessed by the undersigned, this finalizing their work. Congratulations are in order for this body for their determination and willingness to engage in a witness and growth adventure through consolidation.

Respectfully submitted,

Bill Oaks, Director

### PRISON MINISTRY (MEN)

There was to be a dedication service of the new recently completed Chapel located on the prison grounds on Sept. 22, 1989, with N.C. Prisons Secretary Johnson present. It was cancelled because of Hurrican Hugo but will be re-scheduled for a later date.

On Sunday evening Sept. 24, 1989, a very impressive installation service was held in the new prison chapel with the Rev. Joseph Z. Windley installed as the full-time Chaplain. The service was attended by the State and Eastern area of N.C. Chief of Chaplains to the Prisons, as well as numerous members of Ecumenical Board of Advisors from the different denominations in the Wilmington area who work in support of the Prison Ministry. There is a continuing need for financial support from the area churches as no money is appropriated for this purpose by the State of North Carolina.

Respectfully submitted,

Bill Oaks. Director

## DIRECTOR OF MISSIONS

The Associational ship was moving at full steam when I came abroad the first of March 1989. If I had an advantage, it was that I was quite familiar with Associational Missions Programs all across North Carolina and had enjoyed many visits and strategy discussions with men like Bill Spradlin, Paul Kesterson, Bobby Stafford and Paul Nix. Among the thrills of anticipation in my call to serve as Director of Missions was a long time acquaintance with many of the Lay People in the Wilmington churches, recognition of the quality of continuing leadership that had been provided by Ed Stines and David Stewart and respect and admonition for the current staff. There is no way to adequately praise the strength brought to the Association by having David Stewart as our moderator and the support of our multi-talented and completely dedicated staff.

Some of the activities that have meant the most to us during this year are the Brazil Project, our Metro-Thrust Research and the gearing up for "Here's Hope Evangelism". The Brazil Project is stretching our imagination and causing us to believe that together and through the Lord we can do great things. Fifty-six volunteers from one Association in a six months period is a remarkable accomplishment. Building two church buildings; seeing more than one hundred people accept the Lord and agreeing to multiple projects in 1990, tell something of the story. There is every evidence that we can apply this same sort of intensity in meeting the needs and challenges determined in Metro-Thrust and Here's Hope.

Another encouraging accomplishment during 1988-89 was a substantial increase in selection of Associational Leadership and the fact that these leaders and committees have been most active. The Nominating Committee is continuous in its work and our people are constant in their work at missions, causes, educational programs and leadership training. Those working with Missions Development, Social Ministries, Language Missions, Sunday School, Youth Ministries, Music, Woman's Missionary Union, Brotherhood, Church Training, Literacy Missions, Resort and Leisure, Baptist Student Union, New Church Starts, Pastoral Ministries etc. are always at their busy task. Only the Father knows just how much they mean to the Kingdom's cause.

One of our great challenges is Stewardship. If we are to continue what we have going, even with greater intensity as well as enter the new doors that seem a must, there must be new resources both in terms of people and finances. Our WBA Stewardship people are busy investigating dynamics for securing this need of resources. The WBA is busy at its task. Its been a good year. I'm pleased to be on the team. Pray with me that 1990 will be the best ever.

Respectfully submitted,

J. Edwin Bullock
Director of Missions

**TOGETHERNESS**

It's the Southern Baptist way!

Churches in association freely join together to do certain things together.
Because of this relationship, individual churches grow, mature, become.
And, the churches in association become unified and strengthened.
On mission together, churches grow together.

THE ASSOCIATION:
CHURCHES GROWING TOGETHER

## I BELIEVE IN MISSIONS

BECAUSE THE GREATEST MISSION EVER KNOWN WAS WHEN GOD SENT HIS ONLY BEGOTTEN SON INTO THE WORLD TO SAVE IT.

BECAUSE A CHRISTIAN WHO DOES NOT BELIEVE IN MISSIONS ALWAYS GETS NARROW AND LOSES HIS WORLD VISION.

BECAUSE THE GOSPEL IS THE GREATEST HOPE OF THE WORLD IN ITS PRESENT HISTORICAL CRISIS.

BECAUSE JESUS HIMSELF TAUGHT US THAT MISSIONS WAS THE ONLY WAY TO MAKE DISCIPLES.

BECAUSE I WILL BE A DISOBEDIENT LOVER OF JESUS IF I DO NOT OBEY HIS COMMAND WHEN HE SAID, "GO YE".

BECAUSE IF SALVATION MEANS EVERYTHING TO ME, I CANNOT BE HAPPY UNLESS I SHARE IT WITH OTHERS.

*Rev. Grady J. Fowler*

*October 17, 1927 - February 19, 1990*

*Associate Pastor - Gibson Avenue Baptist Church*

*The 1990 Minutes are dedicated to Rev. Grady J. Fowler. On February 19, 1990 Rev. Grady J. Fowler made that marvelous journey to his Heavenly Home. Grady was Associate Pastor of the Gibson Avenue Baptist Church. He was invited frequently to preach in the WBA churches. Grady was the father of Rev. Billy Fowler who is Pastor of Castle Hayne Baptist Church. Grady and Marie Jannie Fowler have one other son, Cliff and daughters Renee and Denise. Grady was loved by his family, church and many friends in all of the WBA Churches.*

*It is with great gratitude for his Christian faith and service that we dedicate the 1990 Minutes of the Wilmington Baptist Association to the memory of Rev. Grady J. Fowler.*

## WOMAN'S MISSIONARY UNION

"And the King shall answer and say unto them, verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me" (Matthew 25:40) was the Watchword for 1989-90. The emphasis for the year "In His Name Reach, Teach, Touch" motivated each of us to minister unto Christ, to follow His example as we tried to Reach people for Him and for our organization. Our response was, through WMU organizations, to Teach and motivate people to see needs, recognize opportunities, and change attitudes in order to Touch people in need.

Highlights of the year for the WBA WMU and Age-Level Activities:

.... Two Leadership Training Conferences were held at Winter Park Baptist Church and Southside Baptist Church in September 1989. These conferences were led by each member of the Associational WMU Council. An attendance of 127 attended these conferences.

.... On November 6, 1989, area directors led the Baptist Women's Day of Prayer with an enlightening program "Thirst for Righteousness." 79 Baptist Women attended with 17 churches represented.

.... The Baptist Young Women held a brunch in November, 1989, at Lake Forest Baptist Church. Jerrie Parham spoke to the group on how to handle stress.

.... In December 1989, the WBA WMU participated in a North Carolina WMU project by providing books of postage stamps for inmates of the N.C. Women's Correctional Center in Raleigh. Sixty books of postage stamps donated by WMU members of 14 churches were sent to Raleigh.

.... The GA Enlistment Olympics "Go For The Red And Gold", was held February 3, 1990 at Winter Park Baptist Church.

.... An Enlistment/Enlargement event "Must Go" was held at Gibson Avenue Baptist in the Spring of 1990 with all age-levels represented.

.... It was with regret that Lucy Ivey, WMU Director had to resign due to family illnesses and responsibilities. Catherine Sneeden was elected as the WMU Director and took over immediately upon her return from Brazil.

.... A "Picnic In The Park", a rally for Acteens, Baptist Young Women, and Baptist Women was held at Southside Baptist Church on April 21, 1990. The former Miss Wilmington, Marlena Hazard was guest speaker. Sixty-five people enjoyed the food, fun, and fellowship at this successful event.

.... Mrs. Mary Saunders, a former Missionary to Nigeria and nurse spoke at the WMU Annual Meeting on April 23, 1990 at Freedom Baptist Church. The Rev. Edwin Bullock, the WBA Director of Missions, gave the challenge to the incoming WMU Council.

.... Missions Friends leaders were involved in make and take activities at a Leadership Workshop on May 17, 1990 at Pine Valley Baptist Church.

.... The WMU Missions Emphasis Fair was held at the Wilmington First Baptist Church Activity Center on Sunday, May 20, 1990. Ministries of the Wilmington Baptist Association were featured in 40 exhibit booths.

.... Three Associational WMU Leaders attended WMU Week at Ridgecrest in July, 1990. Ten members of the Associational WMU Council attended the State

Leadership Training Conference at Fort Caswell in August, 1990.

.... WMU worked with BSU in serving lunches to the UNC-W students all through the year. Plans are to do this during the coming year, also. WMU ladies from 7 churches fixed a covered dish dinner in August for UNC-W Freshmen that moved in.

.... The WMU Associational Council Members served as hostesses for International Night of Fellowship on September 8, 1990 at First Baptist Church Activity Center.

Through the Empowered emphasis for 1990-91, we are challenged to rely on the Holy Spirit as the source of our power. The Woman's Missionary Union has an opportunity to strengthen missions education in our churches. Don't be limited by what has been done in the past. Dream! Do the impossible! Be different! Remember we are Empowered by the Holy Spirit! With God's leadership, anything is possible!

Respectfully submitted,

Catherine Sneeden, WMU Director

**ASSOCIATIONAL SUNDAY SCHOOL IMPROVEMENT SUPPORT TEAM**

The ASSISTeam attended the ASSIST Training Institute at Caraway on February 2-3.

An Associational- wide Sunday School Workshop was held at the Winter Park Baptist Church in the early part of the study course teaching series for all age groups in Sunday School. There were 13 churches represented with a total attendance of 129.

The ASSISTeam plus others made up the VBS training team for this year. Training for the groups was received at the State VBS Clinic, held on February 23, 1990, at the First Baptist Church, Clarkton. Additional training and planning by this team resulted in two VBS Clinics held:

April 28, 1990 - Winter Park Baptist Church
April 30, 1990 - Burgaw Baptist Church

A special display featuring BREAK THROUGH - Reach to Win, the 1990-91 Sunday School theme was in place at the Associational Missions Fair, May 20. Also information was distributed on the special enrollment project - The FINAL FOUR.

Shortly before this meeting, your ASSIST Team Director experienced a mile heart condition, was hospitalized and had to resign this responsibility.

Plans were made for the Sunday School Directors Meeting at the Key Leadership Conference which was held at Burgaw Baptist Church with Mrs. Gay Marsh of Jacksonville, N.C. leading the conference.

On September 6, Dr. Jim Woodard, artist-in-residence at Oklahoma Baptist University, was our very special guest.

The Music Council sponsored a booth at the Mission Fair on May 20 at the First Baptist Church, Wilmington activities building.

The Third Annual Adult Choir Festival and Congregational Hymn Sing was held at Calvary Baptist Church on August 19, 1990. A mass choir of 236 singers representing nine churches participated in the event. An estimated 1,000 people attended this service of worship and music.

The seminar was led by Dr. Michael Hawn, Professor of Church Music at Southeastern Seminary and Minister of Music at Pullen Memorial Baptist Church in Raleigh, NC.

I want to thank all those who have participated and supported the Music Council and the events that we have sponsored in the last four years during my tenure as Associational Music Director. We have worked hard but it is through your prayers, giving, and support that has allowed this council to do their job more effectively. Much thanks and appreciation goes to this year's council: Jimmy Rogers, Jeff Lewis, Jennings Trawick, Lynn Lewis, and Peggy Croom.

Respectfully submitted,

Neal Eller, Jr., Assoc. Music Director

## PASTORAL MINISTRIES

Your Pastoral Ministries Committee continues to work towards the goal of having a full-time Counseling Ministry in the WBA. This effort is being pursued through Dewey Hobbs with the N.C. Baptist Hospital in order to be able to operate under the legal umbrella of that organization. We believe there is a need for a Baptist sponsored Christian Counseling Ministry here in Wilmington and we will continue to work towards that goal. As with any worthwhile ministry, there will be some cost involved, so please make this a matter of prayerful consideration as we seeks God's will in this matter.

Respectfully submitted,

David Stewart, Chairman

## DISCIPLESHIP TRAINING

Discipleship Training continues to build stronger Christians and churches for the glory of God! Churches with D.T. programs have been shown to have higher attendance, giving, and baptisms per member. This year several churches started D.R. while others expanded and improved their programs. The Associational Metro-Thrust goals underline the importance of training in ALL our churches.

The Associational D.T. team received training at Ft. Caswell, Caraway, and Ridgecrest this year. They provided consultation in seven churches. They are an excellent resource for starting, improving, or expanding your church's D.T. program.

In addition, the Baptist State Convention organized and trained a group of leaders to assist the Association and its churches. They are called Church Growth Multipliers. Wilmington area is represented by Yvonne Lewis and Hal Bilbo. Additional special workers in the area of D.T. are Gene Lackey (Kenansville) and Karen Rose (Jacksonville).

Conferences also provided assistance to our churches. In October, 1989, the Equipping Center Showcase was held at Pine Valley With 56 in attendance. Thirteen groups were held viewing as many different Equipping Center Modules by pastors in the Association. They did a great job!

"M" Night was held in November with a good number of folks enjoying special age-graded training. Dr. and Mrs. Eddie Davis inspired us through music.

In July, Hal Bilbo led a conference on Mormonism. Thirteen people from ten churches were trained on the history and doctrine of Mormonism. In addition, the conference traced factors that influences Baptists to become Mormons, and how to witness to Mormons.

October 1, 1990, the leaders of D.T. for the Baptist State Convention came to speak came to speak with pastors and D.T. lay leaders in conjunction with the Pastors' Conference. Sixty were in attendance from twenty churches. An overview of D.T. was given which included description of the newest discipleship materials. $100 of coupons for material were presented to those who were not currently involved in D.T.

As retiring director of the WBA Discipleship Training, I would like to thank those who served with me. I would also like to highly recommend my successor, Eddie Davis, who is able and willing to lead our churches to its greatest level of D.T.

Respectfully submitted,

Hal Bilbo, Director

## SEMINARY EXTENSION

Seminary Extension has begun to get back on track in 1989-90. Classes were conducted at Mr. Holly, Burgaw, and in the WBA Office.

Five new courses are being offered in the Fall of 1990. We are making a strong bid to help educate and prepare ministers, prospective ministers and our lay people who have a strong commitment for Christ in Service. Pray for Seminary Extension in 1990-91.

Respectfully submitted,
Gwyn "Sonny" Reeves, Director

## CHURCH/COMMUNITY MINISTRIES

In your stead and in the name of Jesus our Savior, this ministry has provided the channel through which more than 65 family units have been provided with food (the equivalent of hundreds of meals), clothing, rent, utilities, travel, and medicine. This was a cooperative work which included our Home Mission Board and the North Carolina Baptist State Convention, who shared generously from their hunger funds, churches who shared from benevolence funds and more than ten special service organizations such as the Good Shepherd House for the Homeless, Families in Crisis and Mother Hubbards Cupboard. We are still seeking ways to more efficiently administer this service.

We shared in the Metro Thrust Study and Five Year Planning Program, assisted in the PROBE Project and assisted the Association as we had the opportunity.

We have rendered ministry not only in the area of family assistance but also in the sharing of information about Baptist Children's Homes, Baptist Retirement Homes of North Carolina, Inc., parenting classes, mission action opportunities, language mission referral and local agency resources. We are always ready to assist pastors and lay people in anyway that we might be of service.

Respectfully submitted,

Paul C. Nix, Interim CCM Director
Mary Margaret Brooks, CCM Director

P.S. It has been a great privilege to serve our great Association and assist our Director of Missions and other staff members in the work of our God.

Sincerely,
Paul C. Nix

P.S. As your new Director of Church and Community Ministries, I would like to express appreciation to all who participated in this ministry during the interim period. Rev. Paul Nix gave of himself unselfishly as he sought to serve others in the capacity of Interim Director of Church and Community Ministries. He has also spent many hours acquainting me with the intricacies of this work. Dr. Ralph Holt and his CSM project directors have kept these ministries not only on track but prospering. I am grateful for all that has been done in the past and look toward the future with great appreciation and expectation.

Sincerely,
Mary Margaret Brooks

## EVANGELISM COUNCIL

This past year included the simultaneous revivals "Here's Hope, Jesus Cares For You." Churches are always encouraged to do evangelism but this provided a special emphasis and motivation.

Several rallies with Evangelist Wayne Bristow were held in September 1990. An area-wide crusade is planned for 1992 as well as the prospects of an Annual Associational Evangelism Conference beginning in 1991.

Respectfully submitted,

David Goodroe, Chairman

## YOUTH COUNCIL

There were several important events during the year. The Associational Youth Lock-In in February, 1990, the Labor Day Weekend Revivals with Wayne Bristow as the Evangelist, and the Youth Retreat at Fort Caswell in October, 1990.

The Lock-In was held at the YMCA and brought together Wilmington Youth from different denominational backgrounds.

The Labor Day Revivals with a special Youth Night at Pine Valley was a big success. The Association provided a pizza supper for the youth and the

message was brought by Evangelist Wayne Bristow. The invitational response that night was great.

The October 20-21, 1990 Youth Retreat at Fort Caswell is a highlight. It will feature Youth Evangelist David Edwards and Christian Contemporary Musician Ms. Dana Russell. The theme for this year's retreat is "Not Afraid To Love". It deals with youth struggling with loving God, themselves, and others.

Respectfully submitted,

Vance Midgett, Chairman

## MISSIONARY FURLOUGH HOUSE COMMITTEE

The Missionary Furlough House Committee has assisted two of our Southern Baptist missionaries during 1989-90 who have occupied our residence.

Betty Jo and Bob Hensley, of Panama, returned to the field in February. After their return, the house was painted on the outside, the deck treated, pictures added to the bedroom, dinning room, living room, and some yard work was done to get the grounds in shape.

In April 1990, Linda and Robert Plummer of the Dominican Republic arrived. During their first few months we obtained funds to buy a dishwasher, dinette set and some additional dishes for the house. A 1985 Ford was also donated which will be used by the missionaries while they live in the area.

Our next missionaries will arrive in July 1991, Susan and Tom Canady of Honduras.

The residence is lovely and a real blessing to those who live in it. We are grateful for all the churches and individuals who make it possible for us to provide this ministry.

Respectfully submitted,

Yvonne Lewis, Chairperson

### INTERNATIONAL NIGHT OF FRIENDSHIP

The Eighth Annual International Night of Friendship was held on September 8, 1990, from six to nine o'clock at the First Baptist Church Activities Building. There were approximately 300 present. This included 133 Internationals from 19 countries.

Delicious food from many countries and entertainment provided by five national groups helped make this a most enjoyable evening. We would like to express heart-felt gratitude to the sponsoring churches, pastors, staff members and many dedicated lay people that made this evening possible.

I would like to express appreciation to all the Language Mission project directors for their faithful service during the interim period. All of those working in this area of ministry have found the world has come to Wilmington and have sought to share the Gospel of Jesus Christ with our International friends.

### HISPANIC MISSIONS

The Hispanic Missions at Lake Forest and Long Creek has been doing well since 1983. We thank God and Wilmington Baptist for the support you have given to us. One of our missions is located at Lake Forest Baptist Church and is supported by Lake Forest Baptist Church and the migrant work and mission is located at Long Creek Baptist Church and is supported by Long Creek Baptist Church.

We now have three English Classes, two are located at Riley's Creek Baptist Church on Tuesday and Thursday nights and the third one is located at Lake Forest Baptist Church on Thursday nights. The Hispanics are eager to learn English. We have baptized 1 and have 2 people waiting to be baptized. We had a very nice Hispanic wedding at Lake Forest Baptist Church. Calvary Baptist Church gave the Hispanics a very beautiful Christmas Party with gifts for all the children and families and a turkey dinner. They have done this for 5 years. We thank them for this. It makes the Hispanics have a bright Christmas because most of their families are back in their country. We have had the best attendance ever this year. We have a building fund started and one day we hope to have a Spanish Church. Lots of churches provides Healthcare Kits for the migrant workers. All of you, Wilmington Baptist, have been a part of our ministry in one way or another and may God Bless each of you and we hope to continue to serve you in the best way that God provides us to. God bless you.

The Korean Mission at Ogden Baptist Church is in its 7th year. Sang Hum Chun is a dynamic pastor and has led the congregation in a vigorous program of outreach. Koreans throughout the city are being touched by this ministry.

Pastor Chun finishes the seminary in December. He, his wife, and two children are planning to move to Wilmington at that time. Please join us in prayer that adequate housing may be supplied.

The mission meets weekly for a Saturday evening fellowship and Bible Study. They also meet on Sunday for Sunday School and Worship services. They had a wonderful revival this year. Many rededications and baptisms are evidence of the work of the Holy Spirit within this congregation.

This mission continues to be a wonderful blessing for Ogden Baptist Church. We are positive that God has marvelous plans for the future.

Craig Register, Korean Director

## RESORT/LEISURE MISSIONS COMPONENT

"The word RESORT ordinarily brings to mind places like Grand Canyon, Miami Beach, or Disney World. In fact, the word may also indicate the local city park, a riverbank, a lakeside, a state park, a family campground or a county fair. Wherever people spend money and time to resort to leisure, certain dynamics can be implemented to enhance the work of the gospel." Wilmington, North Carolina is a prime area for this type of ministry. Thousands of people flock to our city's beaches and campgrounds, many of them without a personal commitment to Jesus Christ. This past summer, with the help of 21 mission youth groups, 4 summer missionaries, and many local volunteers, ministries at campgrounds, beaches, fishing piers, and amusement parks were carried out.

A summary of our Resort Ministry is as follows:

**Fall and Winter Activities:**

.... Mission Youth Group applications were received and processed for 21 groups for the summer of 1990
.... Worked a Resort Missions booth for the Baptist State Convention in Greensboro
.... Marina Ministry continued through the Fall
.... Clown Ministry for Senior Adults with Don Horn & Keith Merkey
.... Cooperative Agreements were written for Baptist State Convention
.... Bobby Stafford led a training session in January for our Resort Missions Council
.... Spoke in several local churches about Resort Missions as well as to a BYW Group in Kenansville, NC
.... Interviews with prospective summer missionaries at Camp Caraway

**Spring Activities:**

.... Clowning Ministry at the race track in Rockingham on RA Day to an audience of about 2000

.... Campground Ministry was started for the season on Easter Weekend at Rogers Bay Campground
.... Pre-project orientation sessions were carried out for mission youth group leaders
.... Little Red Caboose was entered in the Azalea Parade one more time, and riding the caboose were Hal Langley, along with an RA boy from Sunset Park Baptist, Karen and Ginya Bilbo, Rebecca Cavenaugh, and Carlene Evans. J. P. McGinnis pulled the caboose with his truck. This year's theme was "Here's Hope, Jesus Cares For You"
.... Went to Brazil April 16-May 2 to (1) discuss Resort Missions for Missionary Guy Key's association and (2) to build a church and lead Backyard Bible Clubs for children. Don Horn, Judy Norris, and I went three days earlier to discuss Resort Missions
.... Set up a resort display booth for the first Associational Missions Fair in May

**Summer Activities:**

.... Led several conferences at the State Summer Student Orientation at Meredith College in Raleigh, NC
.... Four summer missionaries served in the Wilmington Association Resort Ministries: Chris Thompson, Rod Gilbert, Marianna Dockery, and Andy Thompson
.... Surf City Baptist Church, First Baptist Kure Beach, and First Baptist Carolina Beach continued their summer long resort ministry programs at the beaches, campgrounds, and Jubilee Park
.... Participated in the Fifth Annual "Fun In The Son" Festival at Surf City
.... Worked at a resort missions display table at the Second Annual State Youth Evangelism "Super Summer" at Carowinds
.... A summary of the numbers reached through resort missions during the summer of 1990 are:
.. 77 Professions of Faith
.. 29 Backyard Bible Clubs with a total of 944 children
.. 19 Recommitments for Christ
.. 4 Called into full-time Christian service
.. 3 Different nursing homes ministries
.. 1 Social Ministry project at the Good Shepherd House
..173 Family Evening Programs totaling and audience of 5721
.. 77 Special afternoon presentations
.. 5 Paid full-time summer workers
.. 10 Out of State Mission Youth Groups

Total number of people who heard the Gospel through Resort Missions Ministries during the summer of 1990 were 9222.

Though the height of Resort Missions is in the summer, it is a 12 month ministry. We are grateful for the many volunteers who carry out these programs, without whom many people would not be reached for Christ.

Respectfully submitted,

Carlene C. Evans, Minister of Resort/Leisure Activities

## CHRISTIAN SOCIAL MINISTRIES COMPONENT

The Christian Social Ministries Council is one arm of the Wilmington Baptist Association reaching out in service to God and the community for the cause of and in the name of Jesus Christ.

We seek to provide service and programs to meet the needs of people in our area. We have components of ministry in the area of: Family Assistance; the Bloodmobile; Inner City Ministries; Senior Adult Ministries; the Cape Fear Gospel Rescue Mission; Week Day and Summer Workers; the Children's Clothes Closet; Literacy; Physically Challenged Persons; Day Care and After School Ministries; and the Homeless.

With our new CCM Director now on board, we expect to function even more effectively in 1990-91 than in the past year.

We covet your prayers and solicit your cooperation as we move out and ahead in ministry in the name of Jesus Christ.

Respectfully submitted,

Dr. Ralph E. Holt, Jr., Chairman

**CAPE FEAR LITERACY COUNCIL**

During the last year, 369 students were served by 342 volunteer tutors. Eleven training workshops were held in which 155 new tutors were certified. Almost 40,000 hours were donated by volunteers, of which 17,000 hours were actual one-on-one tutoring hours.

The family literacy project "Read to Me, Mama," which was started in 1989 at Lake Forest Baptist Church, continues to be very successful and has become a model for other volunteer groups.

The Cape Fear Literacy Council continues to be one of the largest volunteer literacy councils in the state. The Wilmington Baptist Association has been--and is still--one of our major supporters.

Respectfully submitted,

Billie Granger, Director

**BLOODMOBILE**

The Wilmington Baptist Association in conjunction with the American Red Cross, held our Annual Bloodmobile on January 22, 1990, at Pine Valley Baptist Church, 149 persons presented - 24 were deferred - with a total of 125 units collected. Surf City had 55 units collected. We also cooperated with Burgaw in their drive but figures are not available.

Murray Memorial Baptist Church had the highest number of units give. Pine Valley Baptist Church was 2nd and Wrightsboro Baptist Church was third. Congratulations.

To the more than 250 volunteers who helped in so many ways to make our drive successful, we salute you.

A letter of appreciation was received from the Red Cross. They are looking forward to having us as sponsors in 1991.

Plans are shaping up already for 1991.

Respectfully submitted,

Rev. Paul Nix and Laura Spivey, Chairman

## CAPE FEAR GOSPEL RESCUE MISSION

Cape Fear Gospel Rescue Mission continues to serve the homeless and hungry in a powerful way. Thus far in 1990, 2,548 beds have been occupied which averaged 17 per night. The latest report for this year reveals 7,997 meals have been served and this averages 53 per day.

The house is located at 411 N. 4th Street. It will accommodate 23 men. A 60 day program is offered which is basically spiritual. It includes Bible Study, self-esteem studies and individual counseling. They have a thirty minute chapel service each morning and individual churches hold services at night.

Dennis Muffler is serving as Interim Director. The new Executive Director, Dan Wiley, will begin November 1, 1990. Larry Cavenaugh is the Chaplain. Theressa Pike is the Office Manager and Chris Paulter is the Computer Operator. The manager of the store is Berdie Wiggs. The mission has a total of 6 employees and the Board of Directors consists of 8 members.

The needs in this area will continue to grow. We encourage greater involvement on the part of all who desire to minister to the less fortunate.

## GOOD SHEPHERD HOUSE

This facility ministers to many homeless and needy people in Wilmington. An average of 1,000 people a year come into the shelter. This means about 68 per day. Twenty people per day use the shower facilities. The number of meals served in the soup kitchen average 33,885 a year or 110 per day.

In job placement, they average 7 permanent jobs a month and 73 day labor placements a month.

Another aspect of the work is the Healthcare Clinic. A nurse is present each Thursday from 10 to 2. They see around ten people a week.

The budget for 1990 was $104,000.

Respectfully submitted,

Rev. Rebecca Dixon-Merkey, Director

## MULTI-HOUSING MINISTRY COMPONENT

Multi-Housing Ministry is one of the biggest mission fields for the churches of our Association. It presents one of our biggest challenges and has one of the biggest potentials for fruitfulness.

The statistics are astounding. Across our country ever-increasing numbers of America's population live in Multi-Housing communities. In city after city from thirty-five percent to as much as eighty percent of the population live in Multi-Housing communities. In the Wilmington Baptist Association area there are: over one-hundred and twenty-five condominium or townhouse complexes; over one-hundred and fifty Mobile Home Parks occupied by over thirty-five hundred families; over one-hundred Apartments; several Housing Projects; and several Migrant Camps and the number of Multi-Housing Communities is constantly growing. For the most part, these people are not going to the traditional local church and the traditional local church is not going to them.

What is Multi-Housing Ministry? It is the church going to the people residing in Multi-Housing Communities and sponsoring a variety of services

ranging from Adult Bible Study groups to Children's Activities to "Big A" Clubs for children to the establishment of satellite "churches" or Chapel Worship Services on the site of the Multi-Housing Community...and every Christian, caring ministry in between.

Upon beginning as part-time Director of Multi-Housing Ministries, I realized that I was "breaking new ground." It has been a learning experience. I have learned, among other things, that there are enormous opportunities for ministry of this type in our Associational area. I have already seen significant activity in four areas of our area. There is strong interest already in several other places. There are some exciting plans for the new Associational year. These plans include ministries in Apartments, Condominiums, Public Housing, and Mobile Home Parks. These plans for satellite ministries will become realities with the sponsorship of the mission action churches of our Association. The field is truly white unto harvest. The need is for sponsors and volunteers! Multi-Housing Ministry is "Today's Frontier of Mission Ministries."

Respectfully submitted,

H. Ellis Lanier, Director

## CHAPLAINCY COUNCIL COMPONENT

### CORRECTIONAL MINISTRY

The Prison Ministry at New Hanover Unit in Wilmington has been a very busy place this past year. We had a Spring Revival May 27-June 2, 1990, in which 87 of the 270 total attending inmates professed to acceptance of Jesus Christ as Lord and Savior or rededications.

Chaplain Joseph Windley continues as Chaplain. Also there was Yokefellows Course given where fourteen (14) persons were awarded certificate of completion and most are engaged in the program with the inmates each Monday night. There are activities/services every night. In October 1989, 55 inmates participated in the Crop Walk inside the compound. We expect that the number of inmates involved this year will be significantly greater. We continue to experience a shortfall in monies needed for this ministry. A $5.00 weekly contribution from each member church of the Association would certainly go a long way toward overcoming the shortfall.

A briefing team with materials and slides is available to visit and brief the congregation(s) of the churches so requesting.

Respectfully submitted,

Bill Oaks, Director

## BLACK CHURCH RELATIONS COUNCIL COMPONENT

Saint Paul Baptist Mission has had a very good year. They had a really good Vacation Bible School in June with an average attendance of 53. Their Homecoming was in August and was well attended. Also, the week of September 10-17, they had a revival with the Rev. A. G. Hightower of Atlanta, Georgia as their visiting evangelist. The crowd was so large they didn't have enough seating capacity. Out of that revival they had 3 conversions and 3 others to join their church.

I certainly would love to see them get a small bus so that they could

pick up the children in their area. I am also looking forward to them having an Educational Building some day.

As many of you know the setting of Saint Paul's is a couple of blocks just off of I-40 and with this setting we see no reason why Saint Paul's could not be one of our largest black churches in the days to come.

Respectfully submitted,

A. H. Harrell, Director

## CHURCH EXTENSION COUNCIL COMPONENT

One of the most substantial things that happened in this church year with reference to possible new work starts was the PROBE Resources Project. This project took place as a full day structural survey of our entire Associational area. Teams consisted of Pastors, Lay People, and a group of Baptist State Convention resource people from across the state. Seventeen potential areas for new work were identified. The Church Extension Council and other key leadership will continue to give direction to PROBE and to the establishment of new work.

The Marketplace Mission decided to take a different direction during the year. Those members dispersed into several other churches. Victory has continued to develop and grow. They have purchased property and are in the process of building a first unit. Murray Memorial continues to give sponsorship and supervision. A special committee is working with the St. Paul church in their process of moving through the watchcare process.

We look forward to the addition of new missions and churches into our Association. Pray for us as we seek the Lord's leadership.

Respectfully submitted,

Bill Oaks, Director

## VOLUNTEERISM COUNCIL COMPONENT

Congratulation churches in the WBA, the last 1990 team has returned from Brazil (three teams went during 1990). Many churches in the WBA participated in sending missionaries to Brazil. For those who have not participated, well now is the time to start planning for 1991 teams.

Volunteers are needed in the following areas:

.... Cloths Closet at Lake Forest Baptist Church
.... Blood Drive in January, 1991
.... The Community Food Center (new name for Mother Hubbard;s Cupboard) needs help from ALL WBA Churches to collect food at local Food Stores and to work at the Community Food Center. There are a few churches participating, but more are needed.
.... Good Idea! 5th Sunday's could be used to collect food in your church for the Community Food Center.
.... The WBA needs volunteers to work in the office. If you can type, file, answer telephone, run copy machines, and etc. call today (799-1160). I would like to take this opportunity to thank all the volunteers that have volunteered in the past and still working.

Respectfully submitted,
Sarah Taylor, Director

## DIRECTOR OF MISSIONS

1989-90 has been an excellent year for Wilmington Baptist. It has been the year for seasoned Missionary endeavors through our Brazil Project. Being the second year of the partnership permitted a larger participation which included three teams which served as Church Builders, Resort Ministries Consultants, VBS Workers, Evangelism Teams and finally a Medical Team. Decisions for Christ have now reached several hundred. In the new year we will be sending more church construction teams, VBS, medical, evangelism and a youth team. While Brazil was the primary overseas response, other mission teams here at home were responding to the needs of our neighbors who suffered disaster from Hurricane Hugo. In January, Wilmington Baptist Men used the gifts given during an Associational Fish Fry to assist churches that suffered damage from the Hurricane. Others worked on a new church in Brunswick Association, while still others worked on our own Resort Ministry areas, at our churches and even with remodeling at the Associational Office. Other volunteers have come at a steady flow as volunteer secretaries and these have made it possible to keep up with the increasingly fast pace for the work at the office. One of the primary joys of the office is the constant flow of guest from the community and the churches and the manner in which the staff and volunteers try to help.

The staff has been a positive factor for the Association during this year. Brother Paul Nix stepped into serve as Interim CCM Director. The Baptist State Convention helped with expenses in the part-time employment of a Multi-Housing Director. Major contributions have been made by Carlene Evans, both as an Association Director and in her specialties of Student Ministries and Resort Area Ministries. Judy Norris as Office Secretary and Linda Carroll as Bookkeeper/Secretary carried heavy loads and have done super good jobs for the Association. In July we elected Mary Margaret Brooks as the new CCM Director. Mary Margaret was highly qualified, experienced and has an excellent temperament for that job. She is already making an outstanding contribution.

The year might be remembered best throughout the decade as the beginning of intensified evangelism. Here's Hope Revivals were numerous and very successful. The Association did a good job in getting ready, conducting the revivals and even with follow ups that centered around the Labor Day Crusade.

During the year we also adopted the proposals of the Metro Thrust Committee. The Four Basic Objective begins with Evangelistic Outreach. The second is Strengthening the Churches. The third is Developing Communication Processes and the fourth is Resourcing the Association to meet the challenge. Another emphasis that complimented Metro Thrust was The PROBE Study which was conducted jointly by Baptist State Convention Resource people and a group of our own volunteers. Sixteen areas were identified for possible new work starts. Ellis Lanier, working in the Multi-Housing Ministry, has identified another fifteen areas where on going missions ministries are needed that can be utilized for touching and affecting the lives of people who live in Apartments, Condos, Mobil Home Parks, and other heavily populated areas.

Our Church Programs people have done an outstanding work during the year. Music Programs for adults and youth filled our largest church's sanctuary. Sunday School, Discipleship Training, Pastoral Ministries, WMU and Brotherhood conducted well attended workshops and went to the churches to provide help as they were called on. Youth Ministries and Adult Senior Ministries provided some meaningful events and experiences for our people. One of the highlights for the year was the celebration of our 90th Birthday while we met in Burgaw Baptist in July. Burgaw was the Birthplace of the Association in early 1901.

The Wilmington Baptist Association is indeed facing some great challenges during this decade. Our Metro Thrust Goals compliment the SBC Bold Missions

Goals and now is the time to get serious with our opportunities. We have some major dreams that some would say are way beyond our capability. It seems to me that this is just the way it should be. If we pray and determine that our dreams are in keeping with the will of the Father, then we need only to do the best we can and in so doing to anticipate results far more dynamic than our dreams. WITH HIS HELP--LET'S DO IT!

Respectfully submitted,

J. Edwin Bullock
Director of Missions

**EXECUTIVE COMMITTEE MINUTES**

The Executive Committee of the Wilmington Baptist Association met Tuesday, November 28, 1989, at the Associational Office. Gene Floyd, Moderator, called the meeting to order. Prayer concerns were given after which Carlene Evans led in Scripture and prayer. Minutes of the September Executive Committee were approved. Treasurer's report was reviewed. Linda pointed out October receipts as being the largest monthly gifts ever received and the yearly budget was exceeded.

**BUSINESS:**

Paul Nix brought the following motion from the Church Review Committee, that both Silver Lake and Abundant Life be treated as churches until such time as the Church Review Committee has the opportunity to make a final recommendation, and that Marketplace and Victory Baptist be recognized as missions of Murray Memorial Baptist Church. Discussion. Vote carried.

Bill Oaks, Church Extension, brought a motion that we be authorized to move in a forward direction with Bob Watson in Associational Probe with Baptist State Convention working with our pastors and churches for new church sites, to be underwritten by Baptist State Convention. Discussion. Vote carried.

David Stewart of the Personnel Committee, brought a revised job description for Associate Director of Missions and Director of Church and Community Missions for the WBA to be adopted. Discussion. Vote carried.

**STAFF REPORTS:**

**Carlene Evans - Resort/Leisure/Baptist Student Union**

Mission Youth group applications are already coming in. I have four groups for next summer. While at the Baptist State Convention this month in Greensboro, I worked a Resort Missions booth. Many contacts were made for our area. In January, Rev. Bobby Stafford will come to Wilmington on the 15th to lead a conference for our Resort/Leisure Council so that we will be better prepared to serve as resource people for our local churches.

College students are frantically working on term papers and preparing for exams. BSU is sponsoring an exam study break next Tuesday night (Dec. 5) from 9:00-10:00 p.m. in University Union Room 100. WMU groups were contacted to donate food for this event. I have had a wonderful response so far! Acteen leaders were contacted to see if they would take on as a project sending a note of encouragement to our 21 active members in BSU at Christmas, Easter, and Thanksgiving. Our BSU group will select a name from the angel tree at the mall as a Christmas project. Wednesday, Dec. 6 at 11:00 p.m. is a campus-wide candlelight service at St. Matthews Lutheran Church. Friday, Dec. 8, BSU will help other Christian organizations in putting together and distributing exam kits (goody bags) for freshmen students with notes of encouragement from home attached. Our last BSU meeting for the semester will be December 6. Exams will be the following week.

**Paul Nix - Interim Church and Community Ministries Director**

Paul has been helping people with rent, food and learning where to refer people to when there is a need. This last month was planning with Metro Thrust.

**Ed Bullock - Director of Missions**

Ed reported on the following subjects:

- All space at the Associational Office is being utilized including

closets.

- Money has been restored to the Korean Ministry at Ogden as requested by David Stewart in September.
- Hugo response was great. We are now looking into the possibility of reconstruction.
- The Annual Meeting went well and plans are being made for next year.
- "M" Night at Wrightsboro was great. Hal Bilbo and Discipleship Trainers are doing an excellent job.
- Thursday night, Nov. 30, at Temple Baptist will be a Christmas party for Pastors, wives and WBA staff.

Out of Metro Thrust with Hugh Townsend at Fort Caswell, came 4 focal emphasis; Evangelism, Strengthening Churches, Communication, and Resourcing the WBA. Ed said he would like to have 10 persons on each committee. He will contact those whom he would like to serve on these committees.

Ed explained the good financial report as having extended days. Also we need to move on the recommendation of have a two-party check writing system. David Stewart made a motion that Ed Bullock be the second party to sign checks, if not available then Carlene Evans. Ralph Holt seconded the motion. Motion was carried.

All reconstruction work done in the office has been done for less than $2700.00, which was materials. Volunteers donated time and labor. The proposal to finish remodeling, which includes moving Literacy to the small conference room, rearrange files, media room, paint inside building, purchase carpet, and purchase a printer and computer for bookkeeping, total price should be under $5000.00. Motion was made by Ralph Holt to approve expenditures to finish remodeling. Seconded by Bill Oaks. There were some discussion on the interest funds. Motion was carried.

Ed announced that there will be an Open-House at the WBA Office on December 20 and 21 from 2:00-4:00 p.m. and we will be serving refreshments. We hope that everyone will come by to visit us and see the remodeling of the building.

A committee to choose the color of carpet to be put in the office will be A. H. Harrell, David Stewart, Sarah Taylor, Janet Hawkins, and Lucy Ivey.

General Board meetings should be as exciting as the Annual Meeting. Mr. Bullock announced that at the General Board meeting in January we will have Bob Banks from the Home Mission Board with us. The General Board meeting in July will be at Burgaw Baptist Church with a celebration of the WBA being 90 years old.

Motion was made by Delores Milliken that the Executive Committee encourage churches to participate in Pastor Appreciation Day on August 12th. The motion was carried.

Motion was made by Bill Oaks to table a request for the use of the front lawn as a playground by a group that will be meeting at St. Nicholas next door. Motion was carried.

A BSU/Resort written report was submitted due to the absence of Carlene Evans. The report is as follows:

- 91 contacts have been made at Freshmen Orientation sessions so far for BSU, with one more orientation session this Friday.

- Beginning this Fall we will have 3 BSU Officers: President - Les Rutt, Christian Growth Chairman - Peter Kerstetter, and Christian Outreach Chairman - Tikki Henderson.

- Plans for BSU Welcome Week in August are being planned now.

- Introductory plans for a BSU Ministry at Cape Fear Community College will be carried out soon.

- UNC-W BSU will have 2 meetings each week. A noon meeting on Wednesday and a 6:00 pm meeting on Monday night. They are designed to reach 2 separate groups. The Monday night meetings will be held in the Associational building.

3 Mission groups are here this week. Vacationers have not yet flooded the Carolina Beach area so there are not many children in Backyard Bible Clubs, yet. With continued good weather that will change within the next few weeks.

The mission group at Surf City is large enough so that they are in 3 campgrounds this week. The group at Kure Beach came all the way from Belleville, Illinois to serve in Resort missions for a week. An Acteen group from Troy is at Carolina Beach.

Minorss problems: (1) We lost our 2 missionaries at Surf City. They went home within the first week. We are having a hard time replacing them. We have had about 10 prospects for the ministry but all have fallen through.
(2) The Marina Ministry will start up by July 1. It is late this year due to the selling of the pontoon boat (now has been replaced) and my mission trip to Brazil.

Please come and support the resort missions programs and activities. See front of the Developer for schedule.

The meeting was dismissed with prayer.
